## SMART SUITS FOR LADIES

We wish that we could picture the charms of these new tailored suits for Ladies—the smart simplicity of cut that gives just the dash and style Ladies need; the distinguished beauty of the materials; the thorough tailoring that leads such a high class air.

## DRESSY CLOTHING FOR MEN.

Every man owes it to himself and his friends to be well dressed. Yes a man's friends have a claim on him; they many think highly of his character and ability and yet wish that he would look "more presentable." There may be differences of opinion as to what is meant by well dressed, but there is no excuse for any La Grande man not to be spic and span when there is West's to come to.

## MEN'S HATS

We are showing a number of new blocks in soft and stiff hats. We guarantee every hat to give satisfaction, and the fact that we very rarely are asked to make good under that guarantee, shows that the Gordon hats in style, wear and price do give satisfaction.

Just received by express some Millinery Models of the Hour from the east. Something very new and striking.

## THREE TRAINS EACH NIGHT

So congested is the westbound passenger traffic, that last night it was necessary to divide the usual No. 5 into three sections, to facilitate matters to such an extent that the mountains could be crossed with any degree of speed. Not only were there three sections, but each seat in the many cars was occupied and standing room was at a premium. Most of this extra business is colonial influx, waiting until the last few days of the excursion period before coming west.

### Three Sections Tonight.

The spurt in business was not short lived for advance notices say that there will be three sections again tonight and perhaps tomorrow night. Extra trainmen and power is being mobilized in this city. Pendleton and Huntington to take care of the increased traffic.

## OPENING GAME TOMORROW

La Grande goes to Huntington tonight or tomorrow morning for the opening game of the six-town league series. The lineup for La Grande will be as follows: Calee, c; Herr, p; Cotner, 1b; Prow, 2b; Bradley, 3b; Elmer, ss; Allstott, lf; Zimmerman, cf; Murchison, rf. Lincoln has not yet decided as to whom he will take for utility. La Grande expects to win the game, but the boys realize that the fortunes of war are uncertain.

Perry and Baker will meet here tomorrow, on the Lincoln grounds. Union and Cove will play at Union. The grand stand will be free at the game here tomorrow. Nelson, the hero on more than one occasion last year, will be in the box for Perry.

## INSANE MAN PICKED UP ON STREET

A few days ago a little fellow probably 25 years old, was picked up on the street by the officers and locked up in the county jail. At that time they thought he was under the influence of some powerful drug, for he hardly acted like even a crazy person. He would not talk more than a few words at a time, and all efforts to help him get his bearings were unavailing. Yesterday he was turned out for a time and his movements watched. Concluding that the man was insane, the officers again locked him up, and this morning he was examined by the county court, assisted by Dr. Bacon, and adjudged a fit subject for the asylum. When he would talk at all it was either to swear or to claim that he used to be on a Spanish warship. He wrote his name as Juan Urgaury.

## PENDLETON LIKES SHOWS

Certain it is that no other shows visiting this city have ever come quite so near being the "real thing" as the Parker shows. Says the local newspaper: The name "Parker" associated with amusements is quite new to the west but back east and in the central

states it is the oldest and most popular.
