### SMART SUITS FOR LADIES

We wish that we could picture the charms of these new tailored suits for Ladies—the smart simplicity of cut that gives just the dash and style Ladies need; the distinguished beauty of the materials; the thorough tailoring that leads such a high class air.

### DRESSY CLOTHING FOR MEN.

Every man owes it to himself and his friends to be well dressed. Yes a man's friends have a claim on him; they many think highly of his character and ability and yet wish that he would look "more presentable." There may be differences of opinion as to what is meant by well dressed, but there is no excuse for any La Grande man not to be spic and span when there is West's to come to.

### MEN'S HATS

We are showing a number of new blocks in soft and stiff hats.

We guarantee every hat to give satisfaction, and the fact that we very rarely are asked to make good under that guarantee, shows that the Gordon hats in style, wear and price do give satisfaction.

Just received by express some Millinery Models of the Hour from the east. Something very new and striking.

## SEND CHECK TO M'COURT

An Oregonian dispatch says the treasury department at Washington has mailed the J. M. Berry check of \$8,750 to District Attorney McCourt at Portland to be transferred to Mr. Berry here. It will probably be several days yet before the payment reaches La Grande.

Mr. and Mrs. Berry are disposing of their household goods rapidly and immediately on receipt of their check, will take the train for Portland their future home.

## JACK O'BRIEN HOME

Still suffering from bruises sustained in practice at St. Louis from where he was going to report at Hannibal, Mo., to manage that club in the Central Association, several weeks ago. Jack O'Brien arrived home last evening. He is here for keeps and his mother will come west from her St. Louis home in a short time to live in La Grande.

The injuries at the time were painful and are slow in healing. Jack still limps and his left shoulder is in bad condition.

### Baseball Days Over.

"My baseball days are over" sadly affirmed the erstwhile manager of the La Grande club. While the injuries will eventually be remedied, it would be foolhardy to attempt more playing. Mr. O'Brien was doing preliminary training stunts with a few of his Hannibal squad when he stumbled while running and struck a post with his shoulder with terrific force. He will remain in La Grande indefinitely.

## MERCHANTS PUSH SALES

In addition to providing a week's amusement for the city and vicinity, practically all the merchants of La Grande are making special efforts to interest their customers by special value sales this week. The principal stores have decorated their fronts, and have a general festive appearance.

The People's store seems to be running opposition to the carnival Ferris wheel. In one of the windows is quite a large wheel, and it turns, too. The little ticket seller is offering to each customer of the store, coupons which may be exchanged on the carnival grounds for tickets to the show.
