## GRANGE PASS RESOLUTIONS

Whereas, the last legislative assembly proposed an amendment to the constitution of Oregon looking toward public railroad building by the state or sub divisions of the state;

Therefore, be it resolved by Blue Mountain Grange and Mt. Fanny Grange in joint session assembled, that in general we are opposed to the State of Oregon going into the railroad business;

Resolved, that if we were in favor of state railroad building, that we would be decidedly opposed to the proposed amendment for:

Section 1 of the amendment is far-reaching and dangerous, it would probably lead to a disjointed system of railroads, and would result in injustice to different sections of the country involved;

Section 3, which says: The State or any county, or railroad district may pledge its credit, levy general taxes, or create a special lien upon land, and also upon the real estate of any town or towns benefited, or do any other act necessary to create a fund for the purchase, or construction, or operation of railroads or other highways within the State, is indefinite and so sweeping as to be especially obnoxious; it is otherwise especially objectionable as it looks toward the placing of liens upon homes without the consent of the home builders in an unjust and unprincipled manner;

Resolved, that we regard this as a matter of pressing importance and we urge action by the State Grange.

Adopted with but one dissenting vote, May 5, 1909.

ED. JASPER,  
Chairman, Com. on Resolutions.
