COUNTY COURT BUYS POOR FARM NEAR ISLAND CITY

Union county has a poor farm. The county court and commissioners in a special session late this afternoon purchased the Charles Green 40-acre tract north of Island City, between that town and Fruitdale for \$6600. The buy was a splendid one. The farm has on it a full crop of grain, 10 acres in orchard, two wells, a six-room house, a barn that will hold 20 tons of hay, and horses and farm implements valued at \$500 alone. The location is excellent and the court is to be

complimented to seizing the opportunity presented.

Better Show at Pastime.

Owing to the difficulty in getting good vaudeville attractions, Mr. French has decided to cut down the vaudeville part of the program at the Pastime, using only the very best when they can be had, and increasing the pictures, and putting on nothing but the best of these.

Tonight, Marguerite, the best hand balancer in this country will be on the bill in some wonderful feats of balancing. One of his stunts is to make a dive over three chairs, lighting on his hands as an ordinary person would on his feet.

There will be three brand new reels of pictures and, owing to cutting down the expense so much vaudeville, the price is to be ten cents for adults and five cents for children.

FOLEY'S KIDNEY CURE

Cures Kidney and Bladder Diseases in Every Form — Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood which is constantly passing through them.

When the kidneys are out of order the other organs are affected immediately and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order.

If you are sick **Foley's Kidney Cure** will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

How to Tell if You Have Kidney Trouble.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and **Foley's Kidney Cure** should be taken at once.

Foley's Kidney Cure is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Doctors Said He Would Not Live.

Peter Frey, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me, if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. **Foley's Kidney Cure** was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."
