JAPANESE FOR FIELDS

Twenty Japanese arrived today from Portland as the advance guard of the foreigners that will be employed to do the thinning and weeding of Amalgamated Sugar Company beet fields. This is in accordance with the policy of the company to re-adopt the laborers in preference to German Russians who were given a try-out last season but proved anything but satisfactory.

The arrival of the Japs is the sign of growing beets. They are used, but little in the seeding, but do prove valuable help in thinning and as the company finally won out over the Walla

borehs, more than a 100 in number, are being mobilized in this city, the beets will assume such progress in growth that thinning can commence.

EXPENSIVE STRAWBERRIES.

Eighteen Dollars Paid For One Crate of Walla Walla Product.

The first crate of strawberry grown in the Walla Walla valley this year sold this morning for \$18, which is at the rate of 75c a box, says a Walla Walla paper. They were raised on the tract owned by Fred Beller at Locust, Or., just this side of Freewater, and sold to the branch house of L. L. Hunt Co. at Sunnyside, two and a half miles from Freewater. The berries were shipped to Spokane where they will be retailed at a fancier figure than paid here.

Bidding for the berries was keen, all the produce houses wishing to get the first crate. The L. L. Hunt company finally won out over the Walla

Walla Produce Co., the Shields Fruit Co. of Milton and the Fruit Growers Union of Milton.

BIG AFFAIR IS PLANNED

Officers of the La Grande brotherhood of the Presbyterian church have received notices from Portland telling about the convention to be held there. A circular letter says:

There will be a great convention of the Presbyterian Brotherhood in Portland June 8 and 9, 1939. All the Presbyterian churches of Oregon are being asked to send delegates, and it is expected that these will number several hundred. The principal speakers will be men of national reputation, who will come to the coast following the meeting of the General Assembly at Denver in May.

The Portland meeting is but one of four to be held on the coast, the places and dates being as follows:

San Francisco, June 3 and 4; Portland, June 8 and 9; Seattle, June 10 and 11, and Spokane, July 14 and 15.

The Presbyterian Brotherhood has made great strides since its organization a few years ago, as the thousands who attend its conventions testify. The Pittsburg gathering filled to overflowing the auditorium, which seated 5000. Only men are admitted to the meetings.

It is expected that a great impetus to Presbyterian church work, as well as the Brotherhood movement, will come as a result of the convention on the coast.

The Promotion Committee has opened headquarters at Room 415, Worcester Building, Portland, and have begun the work of advertising the meetings on an extensive scale.

Best Treatment for Colds.
"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet offer treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon?
