A GOOD RECORD

We have conducted a laundry business in La Grande for many years. There must be a reason. A trial order will explain the mystery.

SIREN DEVELOP THE BUST

Is an expression that is always heard at sight of a well developed woman. If you are flat-chested, with undeveloped, a scrawny neck, thin, lead arm-- remark will never be applied to you. "SIREN" wafers will make you beautiful, bewitching. They DEVELOP THE BUST in a week from 3 to 6 inches and produce a fine, firm, voluptuous bosom. They fill out the hollow places, make the arms handsome and well modeled and the neck and shoulders shapely and of perfect contour.

Send for a bottle today and you'll be pleased and grateful. "SIREN" wafers are absolutely harmless, pleasant to take, and convenient to carry around. They are sold under guarantee to do all we claim or MONEY BACK.

Price \$1.00 per bottle. Inquire at good drug stores or send DIRECT TO US.

FREE. During the next 30 days only--we will send you a sample bottle of these beautifying wafers on receipt of 10c to pay cost of packing and postage if you mention that you saw the advertisement in this paper. The sample alone may be sufficient if the defects are trifling.

E. L. PICKS ITS OFFICERS

Officers for the coming year, with one exception, were elected at a business meeting of the Epworth League of the Methodist church last evening. The exception is that of president of the organization, which officer will probably be selected at the next business meeting. Herman Clark, of the La Grande National bank, has occupied the office for the past two years with satisfaction to all members, but was unwilling to longer serve in that capacity. The other officers are as follows: 1st vice-president, department of devotional work, Herman Clark; 2nd vice-president, missionary department, Hattie McMurry; 3d vice-president, mercy and help department, Belle Ferguson; 4th vice-president, social and literary work, Nina Tuckey; secretary, Bertha Orton; treasurer, Jeanette Wheatley. Miss McMurry and Miss Tuckey were also elected as organist and choirister, respectively.

WELL DIGGER HOME AGAIN

Roscoe West, accompanied by his wife and mother, returned from Prosser, Wash., last night and will remain in La Grande indefinitely. Mr. West's mother, Mrs. Anna West, will after a short visit here, go to Clark, S. D., to spend the remainder of the summer with other relatives. While in Prosser the well drilling firm of Miller and West completed four wells, of an average depth of 200 feet for the fruit raisers in that section, and installed a pump at Nabton, about 10 miles from Prosser, for an Everett firm who had sunk a well in an orchard tract, but were unable to put in a pump that would raise the water from the bottom of the 300 foot hole.

NEW PLACE FOR GARAGE

As soon as the room in the Slater building, now occupied by the M & M company is vacated by the implement firm, L. C. Smith will move his garage to that place.

C. A. McMillan, a machinist from Texas, has arrived in the city and will assist Mr. Smith in the repair and sales departments of his business.
