FALLS OVER TRUCK POLE

If E. H. Harriman, J. P. O'Brien or some other official with influence in the Harriman ranks could have taken the painful fall which fell to the lot of an aged lady at O. R. & N. depot this morning, it is more probable that more platform facilities would be provided at once. With six trucks, and a depot full of people trying to board the outgoing trains it is no wonder that the accident happened. In a hurry to bid her friends good-bye and see them on the Joseph train, one of a group of ladies stumbled on the steering handle of a cart standing directly between the depot door and the train, falling with considerable force. Fortunately for her, bruised knees and a severe jolting were all the injuries sustained.

HOPES TO WIN MEET

There is great activity among the high school students who are interested in athletics in preparing for the Eastern Oregon track and field meet which is to be held in Pendleton on Tuesday, May 25, says the Baker City Herald.

The recent showing made by La Grande at the Whitman meet has shown the local track men that they are not going to have any walk away in many of the events, and if they expect to win they must be prepared to put forth their best efforts. The boys now realize that they are going up against a pretty strong proposition, and are putting forth their best efforts to meet the conditions. But the weather has been unfavorable for consistent training and this has set them back somewhat.

Baker will send a large delegation to the Eastern Oregon meet, but will probably send only four weight men to the state meet, which is held on the Saturday preceding the local meet. Sending sprinters to the state meet would put them in bad condition for both meets, so it is likely that only the weight men will go.
