A GOOD RECORD

We have conducted a laundry business in
La Grande for many years. There must
be a reason. A trial order will explain
the mystery.

SIREN DEVELOP
THE BUST

SHE'S A QUEEN! SHE'S A SIREN!

is an expression that is always heard at sight of a
well developed woman. If you are flat-chested,
with undeveloped, a scrawny neck, thin, lead
arm-- remark will never be applied to you.
"SIREN" wafers will make you beautiful, bewitch-
ing. They DEVELOP THE BUST in a week from
3 to 6 inches and produce a fine, firm, voluptuous
bosom. They fill out the hollow places, make the
arms handsome and well modeled and the neck
and shoulders shapely and of perfect contour.

Send for a bottle today and you'll be pleased and grateful. "SI-
REN" wafers are absolutely harmless, pleasant to take, and convenient
to carry around. They are sold under guarantee to do all we claim
or MONEY BACK.

Price \$1.00 per bottle. Inquire at good drug stores or send DI-
RECT TO US.

FREE. During the next 30 days only--we will send you a sam-
ple bottle of these beautifying wafers on receipt of 10c to pay cost of
packing and postage if you mention that you saw the advertisement in
this paper. The sample alone may be sufficient if the defects are
trifling.

CONDUCTORS GET ORDERS

Conductor James Connors left for
Joseph this morning on his last trip
as branch line conductor. He has
been ordered to report at Pendleton
next Sunday when the new train ser-
vice over the O. R. & N. becomes ef-
fective. It is supposed that H. C.
Grady the other branch line conduc-
tor will get the same orders when he
reports in tonight.

The schedule is being prepared
now, and will be made public Sat-
urday. The nearest guess made to
the new schedule is set out by the
Baker City Herald, and arriving and
leaving time in La Grande can easily
be computed from the following
schedule, said by the Herald to be
substantially correct though not of-
ficially issued:

Westbound—Train No. 7, Chicago-
Portland limited arrives in Baker at
8:25 p. m., one hour later than the
present train No. 1 now arrives. No.
11 will arrive in Baker at 4:25 a. m.
This takes the place of train No. 1,
which will be discontinued. No. 5 ar-
rives in Baker at 6:10 p. m. the evening
after the changed time card just as
it does now.

Eastbound—No. 8 will arrive at
1:40 a. m. No. 6 is due at 8:20 a.
m. No. 12 at 1:05 a. m. This takes
the place of train No. 2, which arrives
here now at 10:30 p. m.

Trains No. 7 and 8 are fast trains
and have been installed with a view
to handling the through traffic for the
Seattle fair. Trains 11 and 12 take
the place of No. 1 and 2 now running.

HOME LAND THE BEST

"We are perfectly content to return
and remain in Union county, for dur-
ing our meandering over Canadian
soil we saw nothing that can come
up to the good old Grand Ronde," said
Claud Childers and C. R. Hibberd,
both of Imbler, who returned this
morning from regions about Calgary.
"While there is land there that grows
fine crops of wheat, we found that
improved land is often \$5.00 cheaper
per acre than the railroad land which
we planned on buying when we went
there" they affirmed. They had in-
tended to invest capital in the land,
but found that their pin money could
be more profitably tucked away in
Union county real estate.

O. U. A. M. In Convention.

United American Mechanics is in ses-
sion today in O. U. A. M. hall. New

ness transacted. Delegates from all
parts of the state are here. Their
