**SNAKE RIVER
ROAD NEWS**

The Lewiston Tribune throws interesting light on the Snake river road and some of the hardships pertaining to the fanning of preliminary lines. In an interview with one of the engineers, it says:

"The survey for the line was made during the season of 1906 and 1907, four parties being in the field for fifteen months. The work along the canyons was very hazardous and the crew with which Mr. Kress was engaged lost one man. At points it

was necessary to lower men over the cliffs with ropes to make it possible to do the instrument work necessary. The road is located about fifteen feet above the extreme high water mark. Between Homestead and Pittsburg landing the rop in the river is only about fourteen feet to the mile, and an ideal grade has been secured for the road the entire distance. Between those two points there are six tunnels, ranging in length from 600 to 3,000 feet. Practically all the distance the road will have to be blasted out of solid rock, and the engineers estimate that some of the work would cost \$100,000 a mile, while the average for the entire line would equal at least \$50,000. Mr. Kress states that his information is that the length of the line from Huntington to this point is about 200 miles, so that the cost would be approximately \$10,000,000.

"Mr. Kress stated that it was the view of all the engineers that the Homestead section would never have been started except for the fact that the decision had been reached to build the entire line, and the character of the work done, in rushing the location survey, later sustained this view.

E-RU-SA—THE ONLY LAWFUL PILE CURE.

Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-RU-SA cures piles, U. S. Dispensary recommends every ingredient of E-RU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or narcotic pile medicines is illegal because they effect the brain and spinal marrow; produce constipation and never cure. Only druggists of highest standing sell and endorse E-RU-SA.
