## LA GRANDE REPRESENTED IN BIG NATIONAL CONVENTION

The Baptists of the northern states meet in Portland, June 25-July 1. They represent one and a quarter million members, and a two million dollar missionary activity. New developments are expected along various lines. Missionary enterprises will be more solidified and probably the various missionary periodicals merged into one great missionary publication. A thousand lay men are expected and great enthusiasm will reign through the layman's movement. The convention convenes at a time and place that will enable coast visitors to see the

Seattle fair. The missionary boards are out of debt and will plan enlarged work on home and foreign fields.

President Judson of the Chicago University is the Convention President and W. C. Billing of St. Louis is the correspondence secretary.

La Grande will send a strong delegation and will plan to have some of the strongest men of the denomination visit our city while en route to and from Portland.

"A Message From Mars," The famous English comedy-drama.

"A Message From Mars," will be the attraction at the Steward, May 22. This play has had a remarkable history. It was originally produced by Charles Hawtrey at the Duke of York's theatre, London, in the Fall of 1901.

It remained in London three years, one thousand consecutive performances being given.

Mr. Hawtrey then brought the play to New York where it remained five hundred nights at the Garrick theatre.

It has had four highly successful "road" seasons and is this year making its last tour of the United States. Although business is fully up to the high average of other seasons the present producing company will next season place, "A Message From Mars" on view in Australia. Four weeks each will be played in Sydney and Melbourne, twenty-five weeks in the provinces, and four weeks in New Zealand.

"A Message From Mars," has been known for eight years as "The Play Beautiful," and has always deserved the title.

It is being presented this season by a notable special company including the famous English comedian, Beresford Lovett, and Margaret Dunne, who was leading lady with the original London company. The scenic investiture is elaborate.

## Best Treatment for Colds.

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderative laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon?
