A game of four-old-cat at the Lincoln grounds yesterday, interspersed with some ping pong, resulted in a decisive victory for the homers in the La Grande-Perry contest. While the score card shows 26 hits off Nelson the Swede, it is an unjust accusation to make against a really clever twirler, for after the first few innings he simply tossed them over and watched the wheels go around. His support was ragged. This was due partially to the rearranged team, Stoddard acting as back stop, when he should have been on the initial sack. He is good there, but can't hold Nelson.

For La Grande two men played ball all the time, and they were Jerry Proe and Robert Cotner. The others grew listless with the easy meat before them and after playing good ball for two innings, gave themselves to recuperating interest at occasions when the crowd gave evidence of going home.

Zimmerman threw for La Grande and though not exerting himself, kept his eye on the score sheet and when he was in a hole, pulled himself out nicely, frequently.

Perry and La Grande too, will have to whip up if they get paying crowds in the future. The exhibition yesterday was decidedly unsavory. Given a honest effort to produce interesting baseball, the fans will give financial support, otherwise not.

Adler's Collegian Clothes

represents the highest type of ready to wear apparel America produces. The fabric, the linings, the tailoring and the fitting qualities are best appreciated when critically compared with the clothes of any other maker. IN The Case of the State vs Stevenson for "Practicing Dentistry Without First Having Obtained a License Therefor," R. L. Lincoln private prosecutor, and which was carried to the Supreme Court of the State of Oregon by the District Attorney in the hopes of getting a conviction, has recently been dismissed by the Supreme Court and as a consequence I am a free man. While I regret very much that this prosecution has cost Union County something over \$125.00, I am naturally gratified to find that I was not guilty.

On the evening of April 26 last, while I was in the east, my office was burglarized and my record book stolen. For information which will lead to the arrest and conviction of the person or persons implicated I will pay a reward of \$100.00 or any other sum necessary. Hereafter I shall be pleased to give any information regarding my prices etc. to anyone who may be sufficiently interested to call at my office while I am present.

Respectfully,

J. E. Stevenson, D. D. S.

S.S.S. NATURE'S CURE FOR BLOOD POISON

S. S. S. is known as Nature's Cure for Contagious Blood Poison because it is prepared entirely from the blood purifying and healing extracts of roots, herbs and barks taken directly from the natural forests of the land. It does not contain the least particle of strong mineral ingredients, and is so prepared as to aid in the upbuilding of every portion of the system, while driving Contagious Blood Poison from the blood. No unpleasant effects ever follow the use of S. S. S., such as stomach troubles, dyspepsia, mercurial rheumatism, etc., as is so often the case where other medicines are used. S. S. S. goes down to the very bottom of the trouble and gently but surely drives out every trace of the disease, cleanses and purifies the circulation, and by its fine vegetable tonic effects, assists the system to rapidly overcome the ravages of the disease, and regain its natural healthful condition. S. S. S. does not cover up or hide the symptoms for awhile, to break out later, but so thoroughly does it remove the cause that no signs of the trouble ever return. S. S. S., Nature's cure, is the surest and safest remedy for Contagious Blood Poison. Home Treatment Book with valuable suggestions and information, and any medical advice free to all who write.
