IN The Case of the State vs Stevenson for "Practicing Dentistry Without First Having Obtained a License Therefor," R. L. Lincoln private prosecutor, and which was carried to the Supreme Court of the State of Oregon by the District Attorney in the hopes of getting a conviction, has recently been dismissed by the Supreme Court and as a consequence I am a free man. While I regret very much that this prosecution has cost Union County something over \$125.00, I am naturally gratified to find that I was not guilty.

On the evening of April 26 last, while I was in the east, my office was burglarized and my record book stolen. For information which will lead to the arrest and conviction of the person or persons implicated I will pay a reward of \$100.00 or any other sum necessary. Hereafter I shall be pleased to give any information regarding my prices etc. to anyone who may be sufficiently interested to call at my office while I am present.

Respectfully,

J. E. Stevenson, D. D. S.

PLASTERING IS FINISHED

By June first, at the latest, the M & M. building will be ready for occupancy according to Contractor Krieger. The plastering has been completed, and as soon as it is dried and hardened thoroughly, the inside casing will be put on and the interior decorators and finishers turned loose. In the meantime, the sidewalk along the two fronts will be constructed and the debris and rubbish cleared away. Maybe 10 days will clean it up, but the first of June at the latest, will see the building finished in every detail.

S.S.S. NATURE'S CURE FOR BLOOD POISON

S. S. S. is known as Nature's Cure for Contagious Blood Poison because it is prepared entirely from the blood purifying and healing extracts of roots, herbs and barks taken directly from the natural forests of the land. It does not contain the least particle of strong mineral ingredients, and is so prepared as to aid in the upbuilding of every portion of the system, while driving Contagious Blood Poison from the blood. No unpleasant effects ever follow the use of S. S. S., such as stomach troubles, dyspepsia, mercurial rheumatism, etc., as is so often the case where other medicines are used. S. S. S. goes down to the very bottom of the trouble and gently but surely, drives out every trace of the disease, cleanses and purifies the circulation, and by its fine vegetable tonic effects, assists the system to rapidly overcome the ravages of the disease, and regain its natural healthful condition. S. S. S. does not cover up or hide the symptoms for awhile, to break out later, but so thoroughly does it remove the cause that no signs of the trouble ever return. S. S. S., Nature's cure, is the surest and safest remedy for Contagious Blood Poison. Home Treatment Book with valuable suggestions and information, and any medical advice free to all who write.

Let the Coal Fire Go Out

At the first suggestion of summer weather let the range fire die out, set a New Perfection Wick Blue Flame Oil Cook-Stove in a corner of the kitchen, and at once the family boiling, frying and baking may be done with comfort, because the "New Perfection" delivers the heat under the kettle and not about the room. Another convenience of the
