EXCURSION TO THE LAKE VERY LIKELY

There will be a great excursion to Wallowa Lake at Joseph next June, under the auspices of the local Trainmen and Conductor's orders, according to present plans. The only thing standing in the way is rates, and if they can be suitably adjusted, it is almost certain the annual trainmen's excursion will head toward the lake.

Already there have been considerable details attended to in this connection and as soon as the rates are announced, the management of the excursion will commence to give the affair wide publicity. If they can duplicate the excursion last year when Palmer Junction was visited, it will be first class.

BAKER MAY END SUNDAY BASEBALL

It is understood that a campaign is being waged in Baker City to stop Sunday baseball playing. Just when this movement started is not known, but at present a number of citizens are working to the end that Valley Avenue baseball grounds will have a deserted appearance on Sunday throughout the summer season.

While some seem to favor the idea, there is a large number opposed to it, and doubtless a heated contest will follow if those favoring the measure push their case.

Baseball fans argue that supreme courts of different states, where blue laws are sacred and observed to the letter, have rendered decisions that permit Sunday baseball.—Baker City Herald.
