WILL SEE BIG FIGHT

Charles R. Elliott, advance man for the Burns-Johnson prize fight moving pictures, taken at the time the negro captured the heavyweight world's championship belt in Australia, is in La Grande today making arrangements for producing the show here on May 26. The pictures cover every detail in connection with the fight, beginning with the sale of tickets and continuing through the 14 rounds until a decision was rendered, which made the negro champion. Further particulars will be published in the Observer at a later date.

BLOOMER GIRLS COMING

The famous Boston Bloomer girls' baseball team is coming to La Grande to play Grant Lincoln's team on June first, according to present arrangements. The advance man was in La Grande last evening making arrangements for the game and negotiations are about ended. The team will play Pendleton and may also frame up a game with Baker City. This is a recuperated team, said to be some stronger than the Bloomer girls who toured the northwest last year.

E-RU-SA—THE ONLY LAWFUL PILE CURE.

Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-RU-SA cures piles, U. S. Dispensary recommends every ingredient of E-RU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or narcotic pile medicines is illegal because they effect the brain and spinal marrow; produce constipation and never cure. Only druggists of highest standing sell and endorse E-RU-SA.

THORNTON'S PLANS TAKEN

It has fallen to the lot of a La Grande man to draught the plans for the \$125,000 hotel at Port Orford, the growing fruit country of Curry county. This large building, a four-story affair, will be built according to plans proposed by C. R. Thornton the local architect, and speaks well for his ability, as his plans were made in competition with scores of others, including the best men in Portland. Construction of the hotel is to commence at once. Bonneville's Western monthly, of the current issue contains an

outline of the hotel and many interesting details in this connection. In addition to having a local man draught the plans for the big hostelry, La Grande has a man at the head of the orchard which will be the largest in the world when it gets to bearing. In the publication mentioned there are numerous photographs of Oldenberg the former Grande Ronde orchardist, who is manager of the vast orchard.

SEE UNIFORMS TOMORROW

Tomorrow evening has been selected by the band boys for their first appearance

in the new uniforms. Quite an elaborate program is being arranged, and it is hoped the weather will be pleasant.

The ball game talked of between the band and the business men will probably take place near Memorial Day. If it turns out that a team of business men cannot be corralled for the game some other body of lovers of the game will be challenged.

Many Intend to go.

An invitation to attend the meetings of the Chapter R. A. M. at Enterprise next Tuesday and Wednesday evenings was accepted by La Grande Chapter No. 9 at their regular meeting last night. There are six candidates waiting at Enterprise for the coming of the La Grande contingent, who will conduct the initiation. All who wish to go should notify Frank Kilpatrick at once, so that the Enterprise lodge may know how many they may expect.
