UNION AND ELGIN WIN

UNION, May 24, (Special)—Cove met its first defeat here yesterday when Union defeated the leaders 6 to 3. The game was interesting but void of features. The batteries: Cove, Meyers and Gibson; Union, McMillan and Mulvehill.

Elgin Easy Winners.

BAKER CITY, May 24, (Special)—Elgin trimmed Baker City yesterday in a decidedly "bum" game, the score being 8 to 4. Elgin played fairly good ball, but the exhibition put up by Baker City was distasteful. Elgin's easy victory was due to first baseman Tuneciff's failures, principally.

WILL CONFER AT JOSEPH

Fred B. Currey, representing the commercial interest; Engineer Gardner for the local order of engineers; Frank Mytenger for the conductor; Chattum for the trainmen, and Farnum for the firemen, are in Joseph this afternoon to consult with the commercial club of that city for the trainmen's excursion to Wallowa lake. They will attempt to arrange plans for a barbeque and a ball game as special attractions at Joseph on the day that the excursion is held. The trainmen representatives, excepting Mr. Gardner, are members of the train crew on the Joseph run today.

HOUSE FAR TOO SMALL

Mrs. E. E. Shepard, who has charmed the ladies of the W. C. T. U. and all others whom she came in contact during her stay in La Grande, spoke to a large congregation at the Presbyterian church last night, many being turned away. He subject, as announced in the Observer, was "Peaks and Valleys," and dealt with the history and aims of the prohibition movement.

In the history of the prohibition movement the speaker described the progress of public sentiment, in figurative language, likening the principle of the church, the trend of education, the verdict of science and the attitude of the commercial world toward liquor as high mountain peaks, leading the workers to struggle onward and upward toward the top.

By those who have heard Frances Willard, Lady Henry Somerset and other noted woman orators, Mrs. Shepard is said to be even more eloquent than were they.

LINCOLN'S TILL ROBBED

Someone broke the back window of Grant Lincoln's pool room and near-by place Saturday Saturday night, after the place was closed and stole over \$20 from the cash register. Luckily Lincoln had followed his usual habit and left the register unlocked. Otherwise the thief might have smashed the machine, which is quite a costly one. No arrests have yet been made.

Engines Sent Back.

So great is the demand for engines on the Union Pacific that six new O. R. & N. engines, sent to Albina lately, were sent back east yesterday.

IN The Case of the State vs. Stevenson for "Practising Dentistry Without First Having Obtained a License Therefor," R. L. Lincoln private prosecutor, and which was carried to the Supreme Court of the State of Oregon by the District Attorney in the hopes of getting a conviction, has recently been dismissed by the Supreme Court and as a consequence I am a free man. While I regret very much that this prosecution has cost Union County something over \$125.00, I am naturally gratified to find that I was not guilty.

On the evening of April 26 last, while I was in the east, my office was burglarized and my record book stolen. For information which will lead to the arrest and conviction of the person or persons implicated I will pay a reward of \$100.00 or any other sum necessary. Hereafter I shall be pleased to give any information regarding my prices etc. to anyone who may be sufficiently interested to call at my office while I am present.

Respectfully,

J. E. Stevenson, D. D. S.

S.S.S. CURES OLD SORES

If an old sore existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the place that would kill the germs; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid cause which must be removed before a cure can result. Just as long as the pollution continues in the blood, the ulcer remains an open cesspool for the deposit of impurities which the circulation throws off. S.S.S. cures Old Sores by purifying the blood. It removes every trace of impurity and taint from the circulation, and thus completely does away with the cause. When S.S.S. has cleansed the blood, the sore begins to heal, and it is not a surface cure, but the healing process begins at the bottom; soon the discharge ceases, the inflammation leaves, and the place fills in with firm, healthy flesh. Under the purifying and tonic effects of S.S.S. the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be doubly benefited by its use. Book on Sores and Ulcers and any medical advice free to all who write.

Let the Coal Fire Go Out

At the first suggestion of summer weather let the range fire die out, set a New Perfection Wick Blue Flame Oil Cook-Stove in a corner of the kitchen, and at once the family boiling, frying and baking may be done with comfort, because the "New Perfection" delivers the heat under the kettle and not about the room. Another convenience of the

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is its CABINET TOP—a feature found in no other oil stove. Presents the appearance of a steel range. Fine for holding dishes—for keeping meals hot after they are cooked—for warming plates and for keeping towels handy. Made in three sizes—with or without Cabinet Top as desired.
