GRAND JURY TOMORROW

Everything is in activity about the court house these days in preparation for the June term of the circuit court, which meets the first Monday in June. Judge Knowles has notified the attorneys that tomorrow at 10 o'clock will be motion day, and Peter O'Sullivan writes that he will be able to meet with the grand jury on the same date. The grand jury will meet prior to the regular term and hear such matters as may be ready for submission. The object of Judge Knowles is to keep expenses down to the lowest point.

SUPREME COURT MAKES DECISION IN WALLOWA CASE

The first of the Union and Wallowa county cases argued at the May term of the Supreme court, was decided yesterday, all of the judges concurring in the decision, which affirmed the findings of the lower court, Judge Knowles presiding. The case was that of F. F. Schafer vs. Oral Beecher, involving the sale of pasture lands in Wallowa county.

STEEL MAIL CAR COMES

Blazing the trail of the steel mail car, and being the first of its kind ever seen in La Grande, such a car went through here today en route to Seattle for exhibition purposes during the A-Y-P. The car is all steel, and is equipped with an electric dynamo for lighting purposes. It has an appearance similar to the regular car, but of course is more durable than the old-fashioned cars. It is utterly void of wood attachments, thus being less likely to be destroyed in fires and wrecks.

"Christ Via Common People."

Sunday evening at the Central Church on corner of Washington and Depot street, Ford Ellis will preach a sermon on the subject, "Christ via Common People." The good book says, "the common people heard him gladly." Why is it that the great working class do not attend religious services? Is it that the "common people" have changed or that the churches do not present the real Christ? The services will begin at 7:45 instead of 8, in order that Mr. Ellis may board the evening train for the east. Special music will be rendered by the choir.

Waitresses Wanted.

First-Class Repairing

R. Plant

THE OLD PRESTON STAND.

IN The Case of the State vs Stevenson for "Practicing Dentistry Without First Having Obtained a License Therefor," R. L. Lincoln private prosecutor, and which was carried to the Supreme Court of the State of Oregon by the District Attorney in the hopes of getting a conviction, has recently been dismissed by the Supreme Court and as a consequence I am a free man. While I regret very much that this prosecution has cost Union County something over \$125.00, I am naturally gratified to find that I was not guilty.

On the evening of April 26 last, while I was in the east, my office was burglarized and my record book stolen. For information which will lead to the arrest and conviction of the person or persons implicated I will pay a reward of \$100.00 or any other sum necessary. Hereafter I shall be pleased to give any information regarding my prices etc. to anyone who may be sufficiently interested to call at my office while I am present.

Respectfully,

J. E. Stevenson, D. D. S.

S.S.S. NATURE'S TONIC

The very great majority of persons need a tonic in the Spring or early Summer. The system undergoes a change at this season and the entire physical machinery is disturbed. The general bodily weakness, a tired, worn-out feeling, fickle appetite, poor digestion, a half sick feeling and a general run-down condition of the system, show that the blood is weak or anaemic, and a blood purifying tonic is needed to build up the deranged system and enrich the blood. The use of S. S. S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the long, hot Summer. Many people have put off using a tonic until the system became so weakened and depleted it could not successfully throw off disease germs, and have paid for the neglect with a spell of fever, malaria or some other debilitating sickness. S. S. S. is Nature's ideal tonic. It is a composition of the extracts and juices of roots, herbs and barks which science and experience have proven are best fitted for a tonic to the human system. It contains no minerals of any kind and is therefore perfectly safe for persons of any age. S. S. S. tones up the stomach and digestion, rids the system of that tired, worn-out feeling, and imparts vigor and strength to every part of the body. It purifies and enriches the blood, stimulates the secreting and excreting members to better action, quiets the overstrained nerves, and makes one feel better in every way.
