Herewith we publish the law relative to the employment of female labor, which prescribes the hours of the day and the week. Also the new law prohibiting the presence of minors in certain places, designating the places, and for the punishment of minors who represent themselves to be of age. The law is worthy of reading by every parent, every minor every business man maintaining establishments named in the act.

Under section 1, page 295, session laws, 1909, it is provided: "No female shall be employed in any manufacturing, mechanical or mercantile establishment, laundry, hotel, restaurant, telegraph or telephone establishment or office, or by any express or transportation company, in this state, more than 10 hours during any one day, or more than 60 hours in one week. The hours of work may be so arranged as to permit the employment of females at any time so that they shall not work more than 10 hours during the 24 hours of one day, or 60 hours during one week."

Under section 1 and 2, page 137, session laws, 1909, provides, section 1: "If any person, being owner, lessee, proprietor, or employe of any cigar store, public card room, saloon, bar room, public billiard room, public pool room, soft drink establishment, or other place of public amusement, shall suffer or permit any minor to engage in any game of cards, billiards, pool, bagatelle, dice throwing, or other game of chance. (In such place) either for amusement or otherwise, such person shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not less than \$25, and not more than \$100."

Section 2: "If any minor shall represent and pretend to the owner, lessee, proprietor or employe of any place enumerated in section 1 of this act, that such minor is 21 years of

age, or upwards, for the purpose of inducing such person to suffer or permit such minor to engage in any of the things enumerated in section 1, such minor upon conviction thereof shall be punished by a fine of not less than \$10 and not more than \$100."

The law also makes it a misdemeanor to permit a minor to participate, for hire, in any kind of public entertainment.

**Best Treatment for Colds.**  
"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet offer treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon?
