be a reason. A trial-order will explain

SIREN DEVELOP THE BUST

SHE'S A QUEEN! SHE'S A SIREN!
is an expression that is always heard at sight of a
well developed woman. If you are flat-chested,
with undeveloped, a scrawny neck, thin, lead
arm-- remark will never be applied to you.
"SIREN" wafers will make you beautiful, bewitch-
ing. They DEVELOP THE BUST in a week from
4 to 6 inches and produce a fine, firm, voluptuous
bosom. They fill out the hollow places, make the
arms handsome and well modeled and the neck
and shoulders shapely and of perfect contour.

Send for a bottle today and you'll be pleased and grateful. "SI-
REN" wafers are absolutely harmless, pleasant to take, and convenient
to carry around. They are sold under guarantee to do all we claim
or MONEY BACK.

Price \$1.00 per bottle. Inquire at good drug stores or send DI-
RECT TO US.

FREE. During the next 30 days only--we will send you a sam-
ple bottle of these beautifying wafers on receipt of 10c to pay cost of
packing and postage if you mention that you saw the advertisement in
this paper. The sample alone may be sufficient if the defects are
trifling.

REUNION PROGRAM

For the third time since the Blue

A banquet, and after-dinner speeches,
will be the order of the evening.
These reunions always cement more
firmly the alma mater members and
those who are fortunate enough to
be asked from without the circle of
former students, have reason to feel
elated. A program has been pre-
pared, and is as follows:

ELKS PLAN LONG TRIP

Many local Elks are arranging their
personal affairs, so that they may
be able to enjoy the Elks excursion
to Los Angeles on July 7. The La
Grande Elks will combine with Baker
City in making reservations for the
berths, and the two cities together
will require at least two private cars
for their convenience. The train is
to be known as the Spone excursion,
though La Grande and Baker City
Elks will require more equipment
than the Spokane Elks. Leader
among the locals to go, will be Past
Exalted Ruler, C. S. Dunn, who will
be the delegate from here. The exact
number to go has not been ascer-
tained.

S.S.S. NATURE'S TONIC

The very great majority of persons need a tonic in the Spring or early
Summer. The system undergoes a change at this season and the entire
physical machinery is disturbed. The general bodily weakness, a tired,
worn-out feeling, fields appetite, poor digestion, a half sick feeling and a
general run-down condition of the system, show that the blood is weak or
anaemic, and a blood purifying tonic is needed to build up the deranged
system and enrich the blood. The use of S. S. S. at this time may save
you from a long spell of sickness, and it will certainly prepare you for the
long, hot Summer. Many people have put off using a tonic until the system
became so weakened and depleted it could not successfully throw off disease
germs, and have paid for the neglect with a spell of fever, malaria or some
other debilitating sickness. S. S. S. is Nature's ideal tonic. It is a
composition of the extracts and juices of roots, herbs and barks which
science and experience have proven are best fitted for a tonic to the human
system. It contains no minerals of any kind and is therefore perfectly safe
for persons of any age. S. S. S. tones up the stomach and digestion, rids
the system of that tired, worn-out feeling, and imparts vigor and strength
to every part of the body. It purifies and enriches the blood, stimulates
the secreting and excreting members to better action, quiets the over-
strained nerves, and makes one feel better in every way.
