WRIGHT IS MAD ALRIGHT

County Clerk Ed Wright is mad, real mad. And he had a right at least to be righteously indignant, for did not Attorney General Crawford give an opinion yesterday that makes county clerks lots of trouble? The fishing law says that "all persons who wish to take, kill, destroy" etc, etc, any fish shall take out a license and pay therefor the sum of one dollar. In another place the law reads "all male persons" over the age of 15, thereby letting youngsters and ladies fish without a license. That is, it lets them out of the necessity of paying a dollar for the privilege of fishing. If the Attorney General is right. At least a dozen boys appeared before Mr. Wright this morning and demanded fishing licenses. They did not get them for the county clerk says that if they are under 15 they need not carry the piece of paper that all older persons are supposed to have. Adults to the number of 34 have secured the necessary permit to whip the streams of Union county.

Best Treatment for Colds.
"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet offer treatment." While this treatment is simple, it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon?
