

Where Quality Govern

The Best by Test are shoes with a reputation; The Gloria, Pingrees Ladies shoes, Dunn Ladies and children shoes and the J. E. Tilt men's shoes are shoes that everybody knows. If not, a trial pair is the best introduction. The style, fit and finish of these shoes are beyond criticism. Every pattern is decidedly original, assortments wide and people of economical taste can find equal satisfaction with those of expensive ideas.

Shoes Must Fit Before They will Give Satisfaction

All our Oxfords are made on Oxford lasts and have a smooth ankle fit which you do not get in Oxfords made on a high cut last. This is the reason why our shoes fit and wear so well.

E-RU-SA—THE ONLY LAWFUL PILE CURE.
Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-RU-SA cures piles. U. S. Dispensary recommends every ingredient of E-RU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or narcotic pile medicines is illegal because they effect the brain and spinal marrow; produce constipation and never cure. Only druggists of highest standing sell and endorse E-RU-SA.

TOWNLEY HAS DEED

W. J. Townley of Union will not relinquish his supposed right to the tract of land which he has cultivated for years thinking he owned, all of which was related in the Observer yesterday, for he asserts that he has a deed of the property. The land in question adjoins the Tule Lake tract approved to the State of Oregon in 1901, but the entryman claims that the lake has receded until the land in question became tillable. The records in the land office show the entryman has the law on his side,

and consequently with a deed in his possession, Townley will be able to put up a strong fight.

PICK NEW DIRECTOR IN JUNE

A successor to President David Bay as director of the La Grande school board, will be chosen the third Monday in June, at a election, arranged for at a meeting of the school board last evening. Mr. Bay has served in the capacity of a director for five years, and retires next month with a successful record to his credit. He is not a candidate for re-election, however, in fact, affirms he would not consider the matter under any consideration.

Realize Business Deal.
Signing of diplomas to graduates of the high school was the important part of the meeting transacted at the meeting last evening. Bills against the school board was ordered paid, and after a limited amount of routine work, the board adjourned.

OLD TEAM MAY APPEAR

A hub and hub and a wet race between the old fire department of this city and the present day company of La Grande, is now being talked of for the Fourth of July celebration. The athletic committee is considering the possibility of getting the old timers together, and if such

proves possible, the old team will be organized for the occasion. Among the men available for this team are J. H. Peare, the former chief, "Doc" Lincoln, Mr. Stacy, Lute Dunn, J. F. Lindsey, Frank Leavitt, C. S. Williams, Tom Williams, Otto Hoake, now of Portland, Don Laughlin and Albert Jamison of the Pauldon-Pascanaud passenger run.

That this would be a banner event of the day goes without further argumentation.
