4000 MILES AFTER BRIDE

Four thousand miles for a wife, is the strenuous task before Rev. Ford Ellis of the Central Christian church, who last evening took his departure for Lincoln, Neb., to secure post graduate diplomas, and, too, a wife.

He will be married during the present week, immediately upon his arrival in fact.

Though the reverend has not been "piping it off" the fact leaked out and last evening when he took his departure, a liberal number of his congregation had assembled to help cupid's wings flutter.

He will return to La Grande in something like 10 days, bringing Mrs. Ellis with him.

NAME PEARE AS CAPTAIN

Willie Peare, high hurdler and long distance man, will guide the destinies of the 1910 team of the high school track and field team. Before disbanding, the present team, which won laurels never before coming to La Grande elected a captain to assume management of the next year's team. Even now, arrangements are under way for the season yet a year off.

Pose For Pictures.

Individually and in groups, the track team posed for a picture yesterday, in the Ritter studio. This was perhaps the last formal gathering of the huskies this year.

GOOD PRICE FOR LAND

One hundred and fifty two acres of Sandridge land, near Conley warehouse, were sold Saturday evening to Floyd McKennon by the McKennon, Phy, Roberts firm of this city. The consideration is \$65 per acre, a figure that is encouraging to the land dealers in general.

SILENCE IN BUSY PLACES

La Grande wore an appropriate holiday attire today. Though the stores were open during the morning hours, the afternoon found them closed and the owners and employes observing Memorial day in manners varied but nevertheless in keeping with the day. Federal, county and public offices in general were kept closed.

S.S.S. NATURE'S TONIC

The very great majority of persons need a tonic in the Spring or early Summer. The system undergoes a change at this season and the entire physical machinery is disturbed. The general bodily weakness, a tired, worn-out feeling, fickle appetite, poor digestion, a half sick feeling and a general run-down condition of the system, show that the blood is weak or anemic, and a blood purifying tonic is needed to build up the deranged system and enrich the blood. The use of S. S. S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the long, hot Summer. Many people have put off using a tonic until the system became so weakened and depleted it could not successfully throw off disease germs, and have paid for the neglect with a spell of fever, malaria or some other debilitating sickness. S. S. S. is Nature's ideal tonic. It is a composition of the extracts and juices of roots, herbs and barks which science and experience have proven are best fitted for a tonic to the human system. It contains no minerals of any kind and is therefore perfectly safe for persons of any age. S. S. S. tones up the stomach and digestion, rids the system of that tired, worn-out feeling, and imparts vigor and strength to every part of the body. It purifies and enriches the blood, stimulates the secreting and excreting members to better action, quiets the over-strained nerves, and makes one feel better in every way.
