## LA GRANDE LEADS AGAIN

A letter has been received from the secretary of the Lincoln Memorial association by Mrs. Fred Schilke, chairman of the local committee, saying that if the other towns of the west would have reached the total subscription for the farm that La Grande has, there would be money enough on hand right now to complete the project. La Grande will receive favorable mention as being one of the smaller cities to respond liberal to the appeal for financial help.

Mrs. Schilke reports that there are still some unmet blanks in the hands of her committee which must be turned in at once, as they are cash assets to her, in that she must return unused blanks. The members will confer a favor on her by returning them promptly.

## FAIR DAMES WILL PLAY

Commencing at 6 o'clock tonight, the Boston Bloomer girls will cross bats with the local team at the Lincoln grounds for what is the first inter-sex game in several years in this city. That the team can play ball some is attested by the fact that they trimmed Union yesterday 6 to 1, a score that means considerable for Union is some team.

The team is making a successful tour of the Northwest this year, and it is very likely that a large crowd will be attracted to the contest this evening.

It will be a seven-inning affair, due to the lateness of starting.

## ELECTION DRAWS NEAR

Twenty two days from this date, La Grande will vote on the Beaver creek project by adopting a charter which is exactly the same as the present one, changed in title only. As is well known the special election to be held June 22 is a formal procedure only and brings no expense to the city. However, the ordinance must be passed and voters should bear the date in mind.

**Stock Company Draws Crowd.**  
The Taylor Stock company opened their engagement last night at the Pastime with "The Gambler and the Girl," and to say they made a hit would be expressing it mildly. The "standing room only" sign was at the ticket office at 8:10 and the packed house was treated to a performance which was said by theater goers to have been the best put on a stock company in La Grande.

The same bill will be run tonight with a matinee tomorrow. Tomorrow night the laughable comedy "The Prince of Liars" will be presented.

## BIG RUSH FOR WORK

Business which would naturally have been transacted at the land office yesterday, together with what came in this morning on the early train, gave the clerks a very strenuous forenoon. Although the entries were numerous, instead of being confined principally to one locality, as is usual when there is a rush at the land office, the business came in from all over the district.

**Notice to Contractors.**  
Notice is hereby given, that sealed bids will be received at the office of the City Recorder up to 5 o'clock p. m. on Wednesday, June 2nd, 1909, for the construction of 1653 square feet of cement sidewalk at the Court House. All works to be done according to the plans and specifications which may be seen at the City Recorder's office. A certified check for 10 per cent of the amount must accompany each bid. The committee reserves the right to reject any and all bids.

## DRILLING

There are several kinds of drilling but the kind that makes the farm pay is the drilling which makes water available. There is no need of a dry farm. The task is not so great as you may think. I have had years of experience and understand the well business thoroughly.
