**STAGE THAT
IS PRETTY**

A son of Charles Hall, who wrote the famous "Ole Oleson" s in La Grande appearing at the Scenic this week. While he is a chip of the old block, he comes in a peculiarly excellent sketch this time, and the stage setting required is something immense. For three hours this morning he worked like a trojan getting the splendid scenery in shape. There is only one way to ascertain the extent of the beauty of the settings, and that is to view it from the audience room. Mr. Gardinier is espe-

E-RU-SA—THE ONLY LAWFUL PILE CURE.

Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-RU-SA cures piles. U. S. Dispensatory recommends every ingredient of E-RU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or narcotic pile medicines is illegal because they effect the brain and spinal marrow; produce constipation and never cure. Only druggists of highest standing sell and endorse E-RU-SA.

**HERRING
SERIOUSLY
INJURED**

An accident that will likely cost the use of Leo Herring's left eye, occurred at noon today while he and other men of the Grande Ronde Electric company's wire crew were repairing a motor at the L. D. S. Tabernacle. Mr. Herring was working with a stiff spring near the motor, when it sprang from its fastening, and struck the workman in the left eye. The eye glass which he wore at the time escaped without injury, peculiarly enough. His fellow workmen, Messrs Brittan and Donquist, hurried Mr. Herring to Dr. M. K. Hall's office, where an examination disclosed the fact that the eye itself was cut with a rash three-fourths of an inch long. While there is a slight possibility that sight may be restored, there is but slight probability of it.

Hard luck seems to tramp on Mr. Herring's trail, for it was only recently that he was painfully hurt. It is hoped that fortune will smile on him sufficiently to restore his sight. Medical attention will be exercised to the utmost in his behalf.
