UNION TEAM REALLY WON

Union won the game with the
the latter winning from Union as was
announced here yesterday. The
Bloomer team management brought
the report to La Grande Monday night
that they had vanquished the Union
team 6 to 1. It seems that both La
Grande papers based their announce-
ments on the report of the bloomer
team instead of verifying it from Un-
ion, and consequently the insinuations
against the ability of the Union play-
ers. The actual facts in the case are
that Union had the team at its mercy
from the second inning on and al-
lowed the maidens to score one run
for courtesy sake.

JUNE TERM IN SESSION

The June term of the county court
convened this morning and during the
day bills against the county were
audited, allowed or rejected as the
case may be, and tomorrow the busi-
ness matters needing attention will
come up. Commissioner Selder came
over last evening to be present this
morning.

PRAISE FOR AL. LODELL

Al Lodell, the former La Grande
player who is now playing with Boise,
has made a hit that last, but now a
new manager has taken hold of the
team and is anxious to play first base.
This of course has shifted Al if the
playmanager continues on the initial
sack. The following indicates the
popularity of the former La Grande
player:

"What troubles fans is how Mar-
shall is going to figure out where to
place Lodell should he decide to play
first. Joe stated when here that Lo-
dell is one of the best men on the
team. That means that the Oregonian
is to be given a berth."—Boise News.

Al Lodell was taken off the initial
sack for the second time this season
and Marshall played that position
while the Oregon sacker took to the
gardens and made a great hit with
his pegging to the infield and pulling
off double plays, some class there.—

Aged Lady Fell.

Mrs. S. Blank of Forst Grove, while
walking to the college building yester-
day afternoon slipped and fell to
the sidewalk, striking heavily upon
her right shoulder, breaking the arm
near the joint. The fracture was re-
duced by Dr. Wendt, who states that
his patient is in no danger though on
account of her advanced age, 80 years,
her recovery will necessarily be slow.

S.S.S. NATURE'S TONIC

The very great majority of persons need a tonic in the Spring or early
Summer. The system undergoes a change at this season and the entire
physical machinery is disturbed. The general bodily weakness, a tired,
worn-out feeling, sickly appetite, poor digestion, a listless feeling, and a
general run-down condition of the system, show that the blood is weak or
anaemic, and a blood purifying tonic is needed to build up the deranged
system and enrich the blood. The use of S. S. S. at this time may save
you from a long spell of sickness, and it will certainly prepare you for the
long, hot Summer. Many people have put off using a tonic until the system
became so weakened and depleted it could not successfully throw off disease
germs, and have paid for the neglect with a spell of fever, malaria or some
other debilitating sickness. S. S. S. is Nature's ideal tonic. It is a
composition of the extracts and juices of roots, herbs and barks which
science and experience have proven are best fitted for a tonic to the human
system. It contains no minerals of any kind and is therefore perfectly safe
for persons of any age. S. S. S. tones up the stomach and digestion, rid-
des the system of that tired, worn-out feeling, and imparts vigor and strength
to every part of the body. It purifies and enriches the blood, stimulates
the secreting and excreting members to better action, quiets the over-
strained nerves, and makes one feel better in every way.
