HAS JOKE ON FRIEND

Chief of Police Rayburn has a joke on his old-time friend Alec Gordon who works at the Palmer camp, which he is telling to some of his friends today, but more or less "violently" denied by Mr. Gordon. It seems that Gordon came to town last evening and took a room at the Spomer hotel. Rayburn had a score or two to settle and procured some horseshall hair at one of the stables. While Gordon was attending the electric show, the chief cut the horse hair into bits and filled the bed with them. This morning Gordon at the Spomer disclosed the fact that Gordon had tried sleeping in bed, also on the floor, in chairs on the window sill, and at last, saying nothing to the night air had abandoned all hope of sleep. The cactus-like nest appealed to him not. Gordon is reticent about the incident, fearing his fellow laborers at the Palmer camp may hear of it.

Elks to Have Uniforms.

Baker City Elks are intending to go to Los Angeles in the height of style and finish. Orders have been placed for white uniforms for each member attending. The uniforms will be trimmed in purple and present a handsome appearance. All members of Baker Concert band will be attired in the same style of uniform.

Banners have been ordered for the special train and when it leaves Baker City on the morning of July 7th, it will be a grand array of bunting, banners and flags. The name of Baker will everywhere be prominent and all along the line Elks will take occasion to impress upon spectators the greatness of Baker City and Eastern Oregon.—Baker City Herald.

S.S.S. NATURE'S TONIC

The very great majority of persons need a tonic in the Spring or early Summer. The system undergoes a change at this season and the entire physical machinery is disturbed. The general bodily weakness, a tired, worn-out feeling, lacks appetite, poor digestion, a half sick feeling and a nervous system that is out of gear. The use of S.S.S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the long, hot Summer. Many people have put off using a tonic until the system became so weakened and depleted it could not successfully throw off disease germs, and have paid for the neglect with a spell of fever, malaria or some other debilitating sickness. S.S.S. is Nature's ideal tonic. It is a composition of the extracts and juices of roots, herbs and barks which science and experience have proven are best fitted for a tonic to the human system. It contains no minerals of any kind and is therefore perfectly safe for persons of any age. S.S.S. tones up the stomach and digestion, rids the system of that tired, worn-out feeling, and imparts vigor and strength to every part of the body. It purifies and enriches the blood, stimulates the secreting and excreting members to better action, quiets the overstrained nerves, and makes one feel better in every way.
