ISLAND CITY, June 5.—(Special)—Fred Kiddle has a force of men at work remodeling the Thomas house that he recently purchased.

Flour Mill Finished.
H. E. Woodhead, the millwright from Moline, Illinois, completed his work on the pioneer mill yesterday

and left last night for his home.
Flowers For Deceased.
Our people sympathize deeply with Mr. and Mrs. De Lapp in their affliction. The floral offering from friends here were beautiful. Many of Bernie's little friends remembered him.
Shower Given.
Mrs. Newton Kiddle gave a miscellaneous shower in honor of Miss Addie Hunter, Wednesday afternoon. The guests busied themselves by hemming napkins for the bride-to-be. Dainty refreshments were served. The guests were Mesdames Ed Reynolds, Avery, Harrison and the Misses Addie Hunter and Carrie Hunter, Mollie Synder, Nellie Grimmett, Jessie Foster and Lillian Holman and Effie Synder.
Personal Mention.
F. H. Finley of the Barnard Manu-

facturing company, left for his home in Spokane last night after a two weeks' stay in our city.
Gilbert Hunter and Frederick Kiddle left Saturday night for Seattle to attend the fair. They will be accompanied home by Miss Stella Hunter. Frank Bidwell and wife came over Saturday to visit the Ed Kiddle family. They returned Sunday evening.
Swede Act Tomorrow.
Bill "Swede" Hall and Jennie Cabbourn will again present their spectacular swede feature tomorrow night. This is because of the special requests coming for this attraction and will prove an attraction worth seeing. Next week the Scenic will introduce Mr. Second Fiddle, a two part sketch said to be extremely fine. In addition

Miss Amy Goetlip, and company will be on hand. The latter team has favorable comments from New York to Frisco.
WILL ENTER F.L.O.T.
Association Boys to Have Something Novel in Big Parade.
The Blue Mountain Association, at its meeting last evening decided to enter a club float in the Fourth of July celebration. This is another feature that will be added to the splendid parade. The meeting was held at the home of Joe Whitby, and aside from deciding on the float and also laying plans for a lawn social in the near future, little else of importance was transacted.

Flour For South Africa.
The Union flouring mill this week loaded two cars of flour for South America. This flour is sacked as usual in fifty-pound sacks, which are placed by threes in a coffee sack and sewed up. In this manner the flour goes to South America, where it is reported these three-sack packages are packed by twos on mules and carried to the interior. Union flour goes a long ways from home.
England Goes East.
Superintendent England, of the Central, went East this week. He expects to buy some new coaches in Denver and may go on to New York, says the Union Republican.
At this stage of the railroad game, the public is naturally looking for

some announcement from the railroad company touching its future policy, and it is thought upon Mr. England's return that something of this sort may be given out.
Consolidated With Union.
Special Deputy M. F. Davis was in Cove Monday night and completed the consolidation of Rainbow Lodge No. 97, K. of P., of Cove, with Blue Mountain Lodge No. 28 of Union. This gives Blue Mountain an additional membership of about thirty and adds very much to that thrifty organization.—Union Republican.
