LA GRANDE AND BAKER HAVE CAR BETWEEN THEM

La Grande could practically have filled an entire pullman last evening if the O. R. & N. had seen fit to supply one. As it was the joint car divided between Baker City and La Grande, was overflowing and many were not accommodated. Four sections were reserved for La Grande and about 15 were unable to secure berths at all.

The condition of affairs tomorrow night, when the low rates are again effective, is had to prognosticate, for those who aim to go, don't fail to notify the ticket office in time that

provisions may be made for them. While it is very probable that the same joint car plan will be adopted, nothing definite has been announced by Agent Kenney as he is yet uncoached on the matter of numbers out of here on that date.

Have Half Car.

Later in the afternoon Agent Kenney announced that La Grande and Baker City would have a car between them on tomorrow night's train. These arrangements are just the same as those of last night.

COMPANY TO ACT ON PROGRAM

Notice has been given in the papers of a hose company meeting tonight at which special business is to come up. The special business is in connection, primarily, with planning for the sports on the Fourth. The boys desire a race, or several of them, with Elgin or any other town in Union or Wallowa counties. They plan to have at least two races, a wet test, and a hub to hub contest. Several new members will be voted on tonight, and the prospective new material will add greatly to the team's ability to make fast time.

A conference with the celebration sports committee will be held after the boys have decided what they will be able to contribute toward program of the day, and definite announcement will be made after the other towns are heard from.
