SIREN DEVELOP THE BUST

SHE'S A QUEEN! SHE'S A SIREN!

is an expression that is always heard at sight of a well developed woman. If you are flat-chested, with bust undeveloped, a scrawny neck, thin, lead arm—remark will never be applied to you. "SIREN" wafers will make you beautiful, bewitching. They DEVELOP THE BUST in a week from 3 to 6 inches and produce a fine, firm, voluptuous bosom. They fill out the hollow places, make the arms handsome and well modeled and the neck and shoulders shapely and of perfect contour.

Send for a bottle today and you'll be pleased and grateful. "SIREN" wafers are absolutely harmless, pleasant to take, and convenient to carry around. They are sold under guarantee to do all we claim or MONEY BACK.

Price \$1.00 per bottle. Inquire at good drug stores or send DIRECT TO US.

FREE. During the next 30 days only—we will send you a sample bottle of these beautifying wafers on receipt of 10c to pay cost of packing and postage if you mention that you saw the advertisement in this paper. The sample alone may be sufficient if the defects are trifling.

Pastime Getting The Crowds.

"Chick, The Mountain Wolf," a stirring melodrama in four acts, is by far the best the Taylor Stock Co. has yet presented. The way the people are attending the Pastime goes to show that they will pay for a good show, and every one says that the Taylor Stock puts on the best show for the money ever seen in La Grande. "Chick, The Mountain Wolf," tonight for the last time.

Tomorrow for the candy matinee, "A Family Affair." Tomorrow night, a great military drama.

WORTHY OF INVESTIGATION.

New System of Heating and Ventilation—M. Snyder, Agent.

Manuel Snider has secured the agency of the Waterbury system of heating and ventilation, that should receive the attention especially of the patrons and directors of every school district in this and adjoining counties. Read his advertisement in this issue which is self explanatory. The plant is equally as valuable for all public places where an equitable distribution of heat and ventilation is desired. For several months a plant has been in operation in the La Grande public school. It is no experiment but a tried success. Mr. Snider has been a successful teacher in Union county for the past fourteen years and the lack of proper heated and ventilated school rooms caused him to investigate this system and after giving it a practical test secured the agency.

Will Camp.

Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-RU-SA cures piles. U. S. Dispensary recommends every ingredient of E-RU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or narcotic pile medicines is illegal because they effect the brain and spinal marrow; produce constipation and never cure.
