SCHOOL FOR TEACHERS

Indications point to the largest attendance of teachers that the University has ever had at the Summer Session which begins June 28th, running six weeks, and closing August 5th. Announcement has just been made by Dr. H. D. Sheldon, dean of the session, that he has secured the services of Prof. Samuel B. Seward, Jr., of Stanford University, in English Literature and Rhetoric to take the place of Prof. Howe, who is unable to teach on account of illness. Prof. Seward has had much experience as a teacher in summer schools. The courses that he will offer will be in direct preparation for the August state examinations.

An Ideal Cough Medicine.

"As an ideal cough medicine I regard Chamberlain's Cough Remedy in a class by itself," says Dr. R. A. Wiltshire, of Gwynneville, Ind. "I take great pleasure in testifying to the results of Chamberlain's Cough medicine. In fact, I know of no other preparation that meets so fully the expectations of the most exacting in cases of croup and coughs of children. As it contains no opium, chloroform or any other dangerous ingredients, it is a safe, pleasant and efficacious remedy for the ills it is intended." For sale by all good dealers.

WANTED—One or two furnished, or partly furnished rooms for family of mother and two children. Inquire of Fair store.

S.S.S. CURES BLOOD POISON

When the blood becomes infected with the virus of Contagious Blood Poison, the symptoms are soon manifested. The mouth and throat ulcerate, copper-colored spots appear, a red rash breaks out, the hair begins to come out, and usually sores and ulcers show themselves on different parts of the body. At the first sign of the disease S.S.S. should be taken, for the trouble is too powerful and dangerous to trifle with. If allowed to run on the tendency is to work down and attack the bones and nerves, and sometimes it makes a complete physical wreck of the sufferer. The disease can make no such headway if S.S.S. is commenced and used according to directions; its progress can be stopped, the poison removed, and health preserved. S.S.S. goes into the blood and removes the insidious virus, cleanses the circulation and makes a complete and permanent cure by driving out the cause. S.S.S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and blemishes, and when S.S.S. has thoroughly purified the circulation no trace of the disease is left. S.S.S., a purely vegetable remedy, cures Contagious Blood Poison because it is the greatest of all blood purifiers, tested and proven for more than forty years. Home treatment book and any medical advice free to all who write.
