DENTIST

If you are in need of dental work and will visit my office I will endeavor to treat you square, both in the manner in which I do my work and the fee charged for it.

I am not making a "leader" out of extracting, when I say I will do it for 50 cents; it is what I call a reasonable fee.

I do all my own work. None of my work is done in dental laboratories in Portland or elsewhere. When I make a set of teeth for you I make them myself. This puts me in position to stand behind my work, and that is what I propose to do.

Don't get sidetracked by stories that I am not a competent workman.

Dr. J. E. Stevenson

DO YOU KNOW FOR CERTAIN?

You Need A Well

A letter to me stating your location and needs will bring you all the information regarding well drilling necessary.

DRILLING

There are several kinds of drilling but the kind that makes the farm pay is the drilling which makes water available. There is no need of a dry farm. The task is not so great as you may think. I have had years of experience and understand the well business thoroughly.
