Educator Shoes

Nature forms the child's foot so that each toe lies flat and straight, thus providing the human foot with power to balance the body and the spring to make walking easy. Unfortunately few children reach maturity without cramped, pinched and misshapen feet, which is usually caused by shoes sold by unscientific shoemen to unthinking parents. Could parents be brought to realize the importance of starting the child's foot right there would be little or no suffering in later years from so many "blemishes that so many men and women are heir to.

The Human Foot Should be Allowed to Grow Naturally

To shape the foot to changing fashion, is to force the soft, pliable, growing bones, cords and muscles into deformed shapes. The foot thus pinched from its natural shape is bound to be a source of suffering in later life.

WILL ATTEND BOISE CONFAB

LOCAL MINISTER TO HEAR LEARNED SPEAKERS.

One of The Few Sunday School Institutes of Northwest.

Rev. C. E. Deal of the M. E. church leaves tonight for Nampa and Boise to attend an institute of Methodist Sunday schools, the likes of which is seldom called in the Northwest. It is in the nature of a convention, but, instead of numerous addresses from delegates, instruction and entertainment centers around a few specialists who will hold the boards most of the time. A similar institute will be held in Spokane later, one in Portland and another in Seattle.

Miss Irma Deal will accompany him to Nampa. Mr. Deal will be the only representative from La Grande.

NOTED WARRANT IN HANDS OF LOCAL OFFICER

Deputy Sheriff Newlin made a trip to Hot Lake this morning to serve a summons upon T. W. Holliday, treasurer of Malheur county, in the case filed against him by L. K. Sears, a resident taxpayer of that county.

This is the case instigated by L. H. McMahan, the Salem attorney, and is brought to restrain Holliday from paying out some $10,000 appropriated by the last legislature for the purpose of building a bridge across Snake river. Holliday had taken the train for Baker City and Mr. Newlin necessarily had to return without making service of the papers.

New Pictures Tonight.

There will be new pictures and Magneto will change his act tonight at the Scenic. People were turned away from this popular amusement house last night. Magneto has certainly made a hit with the theatregoers of this city. Delmage and Cason had all of their paraphernalia last night, and judging from the number of times they were called back the audience was well pleased with their act. One of the features of the motion pictures tonight will be the London Zoo pictures. They are high class.

Lathing Finished.

Lathing of the T. J. Scroggin residence was completed today. The upstairs is plastered.

TAKES BOYS TO SCHOOL.

Sheriff Leaves With Young Lads on Early Morning Train Today.

Roy and Ray Lawrence, the "tough" young boys who were sentenced to the reform school by Judge Henry, as [illegible] were taken to the school by Sheriff Childers who left with his erstwhile guests this morning on the early train. Unless the boys are paroled or escape, which latter contingency is the more likely, they will remain at the reform school until they become of age. They do not lack intelligence, and may turn into good citizens.
