A very pretty wedding took place at the home of the bride's mother, Mrs. W. G. Hunter, in Island City, Wednesday evening at six o'clock, June 16, 1909, when Miss Addie Ada Hunter and Mr. Floyd Thomas Jones were married in the presence of a few relatives and friends, Rev. C. E. Deal officiating. The bridal party entered to the strains of Mendelssohn's wedding march played by Miss Carrie Hunter. Miss Stella, a sister of the bride, was bridesmaid, and Mr. Charles Reynolds acted as best man. The bride was charming in a gown of Japsio mull, and carried a shower bouquet of white carnations. The rooms were artistically decorated with a profusion of pink La France roses; the same color scheme being carried out in the dining room, where an elaborate luncheon was served. The bride is an accomplished young lady, and was very popular in the schools and social affairs of Island City. Mr. Jones was formerly a resident of Island City, but for the past two years has held a responsible position with Basche, Sage T Co., of Baker City.

Mr. and Mrs. Jones left on the evening train for Baker City, where they will be at home after July first, at 2433 Court street. They take with them the best wishes of a host of friends.

ECLIPSE IS NOT VISIBLE

A spectacle of great interest to the astronomical world is the eclipse of the sun today. The phenomenon will be visible in its totality only in the region near the North Pole, but it may be seen in the western part of the United States near sunset and in the eastern part near sunrise through a smoked glass.

Today's eclipse was due to show up at Boston at 7:09, at New York at 7:02, at Washington at 6:56 in the morning, Chicago at 6:14, Denver at 5:18, Ogden at 4:48, at Seattle at 3:43 in the afternoon. The eclipse will be seen in La Grande at about 3:40.

The path of the central eclipse commences in Siberia, passing over the North Pole, thence along the west coast of Greenland, terminating in the North Atlantic ocean near Cape Farewell.

Clouds Obscure View.

At 4 o'clock this afternoon heavy clouds completely obscured a view of the phenomenon in La Grande, but as the savants affirm the eclipse will continue one hour and 11 minutes, it may yet be possible to view the strange event, should a rift in the clouds occur before 5 o'clock this evening.

Good Clothes

Men, as well as women, like to be well dressed, but many of them don't know how to go about it.

The majority of clothing stores can't help them much, either—they clothe them, 'tis true—but they certainly don't dress them.

And That's Where This Store comes in!

We dress men well—we spare no pains to do it. Clothes quality, these days, counts for as much as price in the way of an inducement, when asking for patronage. EXCLUSIVENESS AND EXCELLENCE IN HATS AND HABERDASHERY.

If you care for clothes excellence, Sir, come here!

What Are You Worth From the Neck up?

The ordinary unskilled laborer is worth from \$1.50 to \$3.00 per day from the neck down. If you are capable of doing head work—planning and directing the work of others, your services are worth from \$4.00 to \$10.00 per day upwards. Two fifty to seven dollars a day represents the difference from a financial standpoint between the trained and the untrained worker, or in other words if your value lies from the neck up, or neck down.

Many a man, who today is down in the mire of over work and under pay, with a course of training such as the I. C. S. is able to give, would become a leader in his chosen work. If you are ambitious and willing to utilize your spare time for advancement, drop me a line and tell me something of your ambition and what you would like to prepare for. The I. C. S. will meet you more than halfway. You are putting yourself under no obligation by writing us and we are willing to give you every opportunity of investigating our methods and after it has been explained to you, act on your own judgment.
