### SILVER TOILET SETS.

Nothing will be as much appreciated by the bride and groom as something that will be of practical as well as decorative use—in other words, silver backed hair brushes, combs, manicure sets, etc. etc.

In these lines we are showing splendid assortments—assortments that compare favorably with the most completely stocked of metropolitan establishments—at prices that are much better than those quoted here or elsewhere.

You will do well to inspect our stock before you buy elsewhere.

## TRAIN HARD FOR RACES

It will not be for want of regular training, if the La Grande horse team does not win laurels during the Fourth of July celebration, for every evening that forces can be mustered, and that is about each evening, the candidates for places on the team devote themselves to hard training. Practice runs, long distance stunts and similar practices are indulged in. "Doc" Lincoln, who was elected trainer recently, is now home from Portland and can devote his attention to the welfare of the squad.

There has been no choice of runners thus far. The entire company will be worked out and then the trainer will pick his entries just before the races come off.

### The Central Company.

Superintendent England has returned from the east, having gone as far as New York in his travels. He has nothing new to announce regarding the extension of the Central Railroad, as certain "right-of-way" matters must be adjusted before his company will take any further steps along that line.

### Oil Coming Up.

We are informed that a strike has been made at the Malheur well and that oil is there. The quantity isn't sufficient for commercial purposes but the flow is increasing and they expect to strike a gusher at any moment.—Vale Orland.

### E-RU-SA—THE ONLY LAWFUL PILE CURE.

Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-RU-SA cures piles. U. S. Dispensary recommends every ingredient of E-RU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or narcotic pile medicines is illegal because they effect the brain and spinal marrow; produce constipation and never cure. Only druggists of highest standing sell and endorse E-RU-SA.
