

S.S.S. DRIVES OUT RHEUMATISM

Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, indigestion, and other physical irregularities which are usually considered of no importance. Nothing applied externally can ever reach the seat of this trouble; the most such treatment can do is soothe the pains temporarily; while potash and other mineral medicines really add to the acidity of the blood, and this fluid therefore continually grows more acid and vitiated. Then instead of nourishing the different muscles and joints, weighing them in a normally supple and elastic condition, it gradually hardens and stiffens them by drying up the natural oils and fluids. Rheumatism can never be cured until the blood is purified. S.S.S. thoroughly cleanses and regenerates the circulation by neutralizing the acids and driving the cause from the system. It strengthens and invigorates the blood so that instead of a sour, weak stream, depositing acid and painful corrosive matter in the muscles, joints and bones, it nourishes the entire body with pure, rich blood and permanently cures Rheumatism. S.S.S. contains no potash, alkali or other harmful mineral, but is made entirely of roots, herbs and salts of great purifying and tonic properties. Book on Rheumatism and any medical advice free to all who write.

SHE'S A QUEEN! SHE'S A SIREN!

is an expression that is always heard at sight of a well developed woman. If you are flat-chested, with undeveloped, a sawny neck, thin, lead arm-- remark will never be applied to you. "SIREN" wafers will make you beautiful, bewitching. They DEVELOP THE BUST in a week from 3 to 6 inches and produce a fine, firm, voluptuous bosom. They fill out the hollow places, make the arms handsome and well modeled and the neck and shoulders shapely and of perfect contour.

Send for a bottle today and you'll be pleased and grateful. "SIREN" wafers are absolutely harmless, pleasant to take, and convenient to carry around. They are sold under guarantee to do all we claim or MONEY BACK.

Price \$1.00 per bottle. Inquire at good drug stores or send DIRECT TO US.

FREE. During the next 30 days only--we will send you a sample bottle of these beautifying wafers on receipt of 10c to pay cost of packing and postage if you mention that you saw the advertisement in this paper. The sample alone may be sufficient if the defects are trifling.

FOR ALL KIDNEY BLADDER TROUBLE, RHEUMATISM AND LUMBAGO

A dose at bed time usually relieves the most severe case before morning.

BACK-ACHE

JOHN W. KENNEDY & CO. CHICAGO, U. S. A.

There are dentists and dentists. As a rule the person having dental work done, extracting if you please, would like to have a man to do the work who is careful, sure of his own ability and can do the work. The same along other lines of dental work. If excavating for a filling you want the man who can do it thoroughly with the minimum amount of pain. Some of these things come with years of experience only; and sometimes not then. These are things which you already know but I bring them to your attention that you may think them over. It is not "ethical" for one dentist to say that he has these qualifications above his fellows, hence I shall have to leave it for you to decide for yourself.

Resp. J. E. STEVENSON.

The Heating and Ventilating Problem Solved By the Waterbury System

For Schools, Churches, Lodge Rooms, and Public Buildings

Does away with window ventilation, which is almost as great an evil as impure air. Maintains a uniform temperature all over the room. Eliminates the cold floor problem and the "dreaded hot stove," Adds 25 per cent to the seating capacity by removing the plant to the corner. Great saving in fuel bill. Requires no basement. Always under direct supervision. No expense to install. Will burn either wood or coal. Every plant guaranteed to meet the most exacting requirements. No Experiment, Plant in successful operation in Public School of La Grande. Invented by J. L. Waterbury who for many years taught in the public schools, after carefully studying the problem and long experimenting devised and patented the system. Those seated in the farther corner of the room will be just as warm as those sitting near the plant. Can be attached to any flue. Every school district should investigate this system.

M. SNIDER, Agent, LaGrande, Ore.

I have taught in the various schools of the county for the past fourteen years and the knowledge of the improper heating and ventilating conditions caused me to take this agency.
