

# Buy Clothes With Your Eyes Open

Have you been buying Clothes where the salesman or the dealer puts the coat on your back, gives a hitch here or a pull there, passes your hand over your back and shoulders and says: "What a beautiful fit." That's one way of selling clothes and one way of buying them, but a far better way, according to our method of thinking, is choosing a size suited to the customer and giving him a coat to slip on himself, a coat that sets perfectly the moment he puts it on, whose collar sets close to the shoulders and seems moulded to the form, a garment that drapes and fits as only perfectly made clothes can. Clothes hold their shape. If you have been wearing clothes that have been pulled into shape with a flat iron, that will lose these good points after wearing them a brief time. Profit by experience and let value enter into your calculations.

## SPREAD TO ATTRACT 127

Mrs. Barrie and her assistants have been busy nearly all day preparing for the annual Commercial club banquet tonight. About 125 platters will be set, and provision for the hungry man has been made in abundance. When the committee started out to get a list of those who would attend and take part in the program, it was thought that the attendance would not exceed 50; but the interest in the club is so general, that no difficulty was found in persuading a considerable number of men who do not belong to the club to attend. Below is the program:

- 8:30—Annual report by Pres. Collier. 8:45 to 10:00 short addresses.
  - 1—Our city and the new water system, Mayor Hall.
  - 2—What irrigation means to Grande Ronde, F. S. Bramwell.
  - 3—The development of agriculture, Fred J. Holmes.
  - 4—Poorer possibilities of Grande Ronde, Hon. Walter M. Pierce.
  - 5—The Fruit Union, J. B. Stoddard.
  - 6—Possibilities of the County Fair, Mac Wood.
  - 7—Real estate values, here and elsewhere, W. B. Sargent.
  - 8—The Eastern Oregon Chatauqua, Geo. T. Cochran.
  - 9—Public school—A good advertiser, County Superintendent E. E. Bragg.
  - 10—The factory, Geo. Stoddard.
- Will the stockmen bring stock to the fair? Geo. H. Currey.  
General discussion.  
The banquet commences at 7:30.

City election tomorrow.

### BEAVER CREEK SPARKLES.

Local Autoists Visit Creek From Which Fine Water is to Come.  
Mr. and Mrs. W. R. Jones, Mr. and Mrs. W. H. Bohnenkamp and Mrs. H. C. Grady made an auto trip to A. J. Sullivan's home at Starkey yesterday afternoon visiting the Meadow Brook dam site on the way.  
The Grande Ronde river was muddy and dirty, but Beaver Creek from which our new water supply is to be obtained was clear as crystal.

### WATSON EVIDENTLY WINNER

In the annual school election commenced at the high school building at 2 o'clock and to continue until 6 tonight. It is very apparent that J. H. Watson will be named successor to David Bay, retiring. The vote was not a heavy one, at least until 4 o'clock, but as there is no known candidate in the race against Mr. Watson it is doubtful if enough can be centered on anyone man to even make a close showing against the railroad man.

City election tomorrow.
