NEW ORDERS ON SHIPPING

Agent J. H. Kenney is in receipt of a circular letter from the general baggage agent of the O. R. & N. P. J. Collins, relative to carrying explosives in baggage, which says: "It has come to the attention of the Bureau of Explosives, American Railway Association that many of the users of explosives, and especially miners who are foreigners and not conversant with the requirements of the law, are in the habit of transporting as baggage on passenger trains articles that contain explosives."

"A case of this kind was recently discovered when a valise was checked from Pittsburg, Pa. to Gary, W. Va. During transit the valise came open and disclosed the presence of an assortment of dangerous explosives. It was delivered to the railway company as baggage by two foreigners who have been arrested and are now in prison awaiting trial before the United States Court for violation of the Act of Congress approved May 30, 1908.

"The penalty provided for violations of this statute is a fine not to exceed \$2000 or imprisonment not to exceed 18 months, or both such fine and imprisonment in the discretion of the court. "The matter should be carefully considered by all shippers not only to avoid violation of the law, but for the reason that the practices mentioned above are exceedingly dangerous and liable to cause destruction of life and property."

INTEREST IN GAMES

A great deal of interest centers in the outcome of the games in the Amateur league on next Sunday. No matter which team that the baseball Gods smile on there will quite a change in the standing of the clubs. The two leaders, Huntington and Union will decide which is the undisputed leader, at Union. There is very little doubt but that La Grande and Cove, who are tied for second place, will win their games, which will make La Grande, Cove and the loser in the Huntington-Union game tied for second place. The greatest interest is centered in the game at Union. La Grande will play Elgin at Elgin while Cove will play Baker City at Baker.
