Good Clothes

Men, as well as women, like to be well dressed, but many of them don't know how to go about it.

The majority of clothing stores can't help them much, either—they clothe them, 'tis true—but they certainly don't dress them.

And That's Where This Store comes in!

We dress men well—we spare no pains to do it. Clothes quality, these days, counts for as much as price in the way of an inducement, when asking for patronage.

EXCLUSIVENESS AND EXCELLENCE IN HATS AND HABERDASHERY.

If you care for clothes excellence, Sir, come here!
