WILL BUILD RESIDENCE

J. B. Fisher of this city has pur-
chased from Frank Bridges, through
the La Grande Investment Company,
the property known as the Minerva
hill lots in the rear of the George L.
Cleaver residence. The deal was con-
sumated yesterday.

Mr. Fisher is contemplating building
a splendid residence on the property,
an act which will improve the district
rapidly becoming the fashionable resi-
dence part of the city.

EXCURSION TO ELGIN

Local baseball fans are endeavoring
to sell enough tickets to Elgin Sunday
to justify them in chartering a special
train. La Grande will cross bats with
the team at that place and there are
strong prospects of the fastest game
of the season as Elgin has several
new names in their line-up. La Grande
has been playing such excellent ball
recently that the fans at this place
begrudge every game away from home,
hence the excursion. There will prob-
ably be very little trouble in securing
the desired number to participate in
the excursion.

DRILLING

There are several kinds
of drilling but the kind
the kind that makes the
farm pay is the drilling
which makes water avail-
able. There is no need
of a dry farm. The task
is not so great as you
may think. I have had
years of experience and
understand the well busi-
ness thoroughly.
