HAWLEY PAROLED

Paroled on the condition that he live as a law abiding citizen during the two years which he would otherwise spend in the penitentiary, Roy Hawley is now enjoying personal liberty. At 10 o'clock this morning J. W. Knowles delivered a lecture to Hawley which will long be remembered by the defendant. With the parole goes the proviso that he is to report to the court of this district at the first day of each term and there explain his conduct during the past.

If the parole is violated in any way, during the time of the sentence, it will be revoked and the sentence enforced.

FIRE WORKS HAVE COME

The fireworks to be shot off here on the Fourth by Frank Mizoguchi and the local Japanese colony arrived here Sunday. The fireworks consist of 30 pieces, 15 to be shot off in daylight and 15 at night. The fireworks came direct from the Orient through a San Francisco house to Mr. Mizoguchi, and will be the first time that fireworks of that class have ever been seen here.

ENTERPRISE TEAM HERE

Enterprise's crackerjack ball team which has defeated teams from Union county on their home grounds, are now invading Union county. Under guardianship of Sheriff Marvin, the team arrived this afternoon from there and goes to Cove tonight to play two games with that club. Then the Wallowers play Union Thursday and Friday, and Saturday go to Elgin.

As the Elgin-La Grande game for July fifth is unsettled, it may be possible for Grant Lincoln to hook on the fast Enterprise bunch for that day. They are goers and would make a splendid game for any club in this neck of the woods.

OFFICE FORCE KEEPS ACTIVE

Receiver C. R. Eberhard and the clerks on duty in the U. S. land office are about the busiest people in town this week owing to the absence of Register Bramwell, who is in Portland as a witness in the U. S. District court in the case of the Receivership of the defunct Farmers & Traders National bank against A. B. Thompson. George Carpy, chief clerk, is also off duty, leaving on sick leave.

Cooked Food Sale.
On Saturday all day, just before the big celebration, the ladies of the Methodist church have arranged to hold one of the largest cooked food sales given by this society. The location is to be announced later.

Wanted.
Fifteen boys and horses to carry banners for floats of Nations, in parade July 5th. Inquire at Bohnenkamp's store.

William Morrison is to come down from North Powder tonight to look after business matters.

NOVELTY AUTO RACING

If satisfactory arrangements can be made with the street committee of the council to make Adams avenue a speedway for a few moments on the day of the 5th, a novelty automobile race will be a bumper attraction. Robert Plant with his homemade auto and the Bay & Zweifel runabout of home manufacture will be the entries and already there is a friendly rivalry between the two owners. Mr. Plant will drive his own machine, but who the steerer of the other machine will be is not known, though it will be one of the firm.

DEATH AT SUMMERSVILLE

Mr. Witherill, bartender in the brewery-soft-drink emporium at Summersville died yesterday morning after a very brief illness and was buried this afternoon at 3 o'clock, Rev. Kline of the M. E. church officiating, and the Eagles of Elgin conducting the services.

Sunday morning about 1 o'clock, when Witherill closed his place of business, he was suffering considerably and had to be helped to his room. Doctor McKenna of Imbler was called, but the man was dying, even then. At 7 o'clock yesterday, he breathed his last.

Witherill is the man who a couple of years ago had a lively tilt with a Presbyterian minister at Wallowa. He leaves no immediate family.
