During the summer the press of the  
 country will from time to time have  
 occasion to refer to the hundreds of  
 Chatauqua meetings. We ask our  
 readers to note these press notices  
 and note the high character of the  
 speakers, singers and teachers men-  
 tioned therein. We only have two such  
 organizations in this state one at Ore-  
 gon City, the other at Ashland. Ash-  
 land is not as large as La Grande, but  
 has maintained successful Chatauqua  
 for several years. La Grande could  
 easily to secure a chatauqua and if  
 once inaugurated, like all good things,  
 the wonder would be why we did not  
 do it long ago.

## Getting The Coast Together.

One hundred Californians, under the  
 auspices of the California Promotion  
 Committee and other organizations of  
 the State left San Francisco Saturday  
 evening, June 12th, for a visit to the  
 Alaska-Yukon-Pacific exposition on  
 the most elaborately equipped train  
 that ever traveled over any railroad.  
 The eleven coaches and dynamo car  
 were equipped with telephones and  
 wireless telegraph, and had all the  
 conveniences of a modern social club.  
 The object of the visit was to ce-  
 ment closer the bonds of friendship  
 between the states on the Pacific  
 slope, and during the entire time of  
 the trip the Californians were "boost-  
 ing" the exposition, and working for  
 closer commercial and political rela-  
 tions between all the seven states of  
 the slope.

This visit fully demonstrated the de-  
 sirability of a class union of all the  
 Pacific slope states, which would be  
 of great advantage to the whole dis-  
 trict. The exposition was found to be  
 of vast educational benefit, as it was an  
 epitome of the industrial development  
 of the empire west of the Rockies, and  
 those who made the trip are strong  
 in their desire to have every person  
 in Idaho, Utah, Oregon, California and  
 Arizona, join with the people of Wash-  
 ington in making the fair the success  
 it deserves to be.

BANKER IS  
HOME AGAIN

F. L. Meyers, cashier of the La  
 Grande National, and treasurer-elect of  
 the Oregon State Bankers' Association,  
 returned home last evening from Se-  
 attle where and Mrs. Meyers attended  
 the tri-state bankers' convention, and  
 while there were visitors at the  
 A-Y-P. As side trips they enjoyed the  
 exhilarating pastime of crossing by  
 boat to Victoria, the old English town,  
 New Westminster and Vancouver. The  
 last named city they found to be sur-  
 prisingly supplied with American  
 booster ideas, and growing at a rapid  
 rate.

Mr. Meyers affirmed today that the  
 fair is well patronized and worthy of  
 the patronage. Weather conditions  
 were ideal and all in all, the banker  
 and his wife had a most enjoyable  
 trip.

Honors going with offices in the  
 State Bankers' association are cov-  
 ered and Mr. Meyers is justly pleas-  
 ed with being remembered.

FACTS ABOUT  
ELGIN TRAIN

Details have been worked out in  
 connection with the special train to  
 run from Elgin and intermediate  
 points to La Grande on July 5,  
 when, it is expected, hundreds and  
 even thousands from these places,  
 will arrive to attend the celebration.

The special train will leave Elgin  
 at 8 o'clock and will arrive at 9  
 o'clock A. M. Charges for the round  
 trip will be \$1.00 and 50 cents for  
 children; Imbler, 70 and 35; Alicel,  
 50 and 25 and Island City 20 and  
 10.

## Met By Band.

The excursion will arrive here at  
 9 o'clock and will be met by the  
 La Grande band with a liberal supply  
 of music. After enjoying the festi-  
 vities, the train will leave on the re-  
 turn trip, at 10:30 P. M.

COYOTES  
NUMEROUS

The county clerks office has been  
 busy for the past two weeks issuing  
 warrants for coyote scalp bounty. In  
 the past two weeks they have issued  
 warrants for \$136.50. Thirty dollars  
 of this is for cougar skins and the  
 other is for coyotes. Many of the  
 hunters are under the wrong impres-  
 sion concerning this law as there have  
 been several cases when just the scalp  
 of the coyote was brought in. The  
 law requires that the whole skin of  
 the animal be brought to the clerks  
 office before warrants can be issued.

## RUSSELL CASE REMANDED

CIRCUIT COURT REVERSES THE  
UNION DECREE.

Damage Money of \$7500 to J. A. Rus-  
 sell is Still in Air.

SALEM, June 29.—In an opinion  
 written by Justice McBride of the  
 Circuit Court of Union County, grant-  
 ing J. A. Russell \$7500 as damages  
 for the death of his son, J. Donald  
 Russell, aged 13, who was killed at  
 Perry, in July, 1907, by an O. R. & N.  
 train, is reversed, and remanded to-  
 day. The court held it was not neg-  
 ligence of the railroad, as the train  
 which ran over the boy was thirty  
 minutes late.

## Amusement

## "Man of Mystery," Big Hit.

The best production the Taylor  
 Stock Co. have put on in La Grande  
 (and everyone who saw "The Fighting  
 Hope," knows what that means) was  
 the general opinion of "The Man of  
 Mystery" the piece in which these  
 popular people opened their return  
 engagement at the Pastime last night.

With comedy galore and exciting  
 climaxes the play pleases everyone—  
 young and old, sophisticated and un-  
 sophisticated.

The entire company did themselves  
 proud. Mr. Taylor having an espe-  
 cially exacting part and he portrays it  
 to perfection.

Tonight "The Man of Mystery," and  
 tomorrow matinee and night.

A beautiful souvenir given with  
 each 20 cent ticket at the matinee to-  
 morrow.

## Good Show at Scenic.

One of the best programs that has  
 ever been shown on a vaudeville stage  
 is on the boards at the Scenic this  
 week. Petrie and Budd, eccentric co-  
 medians are certainly there with the  
 goods and judging from the number  
 of times they were called back they  
 made quite a hit with the La Grande  
 theatregoers. Rosa and Green also  
 made friends with the large audience.  
 "The Carnival at Nice, 1909" is one of  
 the most beautiful films that has ever  
 been seen here. All of the gorgeous  
 floats which participated in that great  
 event are shown very clearly and are  
 certainly a treat to those who see it.  
 Tonight is the last night that it will  
 be shown here.

PARK SITE IS  
PURCHASED  
AT LAST

A deal was consummated this after-  
 noon at a late hour whereby 14 acres  
 of land belonging to E. Z. Carbine now  
 becomes the property of the La Grande  
 Park Commission, a time and an event  
 which been awaited with bated breath  
 for months, and which the city will  
 rejoice unitedly over. The price paid  
 was \$1400. Additional details of the  
 deal will be published tomorrow.  
 The commission is now in position to  
 proceed with cleaning up the property  
 which will be the finest bit of park  
 grounds in Oregon and for which the  
 ladies of La Grande have worked most  
 heroically and to which hundreds have  
 actually donated but little but helped  
 immensely by patronage of public  
 functions held for the benefit of the  
 park.

Hole Dug Today.  
 A large hole is being dug today at  
 the corner of Spring avenue and 6th
