UNION DAY WILL BE A BIG AFFAIR

WILLIAM HALL WILL PROVIDE
BADGES FOR ALL.

Mrs. Ivanhoe Also Ready to Entertain
at Union County Day.

William Hall the Union county representative on the A-Y-P. grounds, writes that he is making arrangements for a large representation at the Seattle fair on Union county day, July 27. He will have special badges for all from the good old county, and will be instrumental in providing entertainment.

He is anxious to have some good exhibits of cherries sent and has turned this proposition over to the Commercial club.

Mrs. Ivanhoe, who will be on the scene that day as Union county's hostess is also doing all in her power to entertain the guests when they come.

A large representation is very desirable.

BUY OR CONDEMN

President Fred Holmes, Director J. D. McKennon and Secretary J. E. Reynolds leave tomorrow for Starkey Prairie where they will again open up negotiations with the owners of land in the reservoir basin. They will buy at equitable prices or start condemnation proceedings immediately on their return. The trip tomorrow will wind up the purchases that are to be made.

This was agreed upon at a meeting of the directors last evening.

Ice Cream Social.
The "Alerts" of the Island City Sunday school will give an ice cream social on Thursday evening at the home of Mrs. C. H. Bidwell. The proceeds will go toward paying for a new organ for the Island City church. A very pleasant evening is promised to all who attend.

FOX TERRIER KILLED.
Attempts to Stop Automobile And Meets Sad Painful Death.

"Buster" Green, the favorite canine in the F. H. Green family, met a tragic death yesterday afternoon, when it was run over and fatally injured by an auto. "Buster's" pet pastime

has always been to stop automobiles, but like other great things and men small met his Waterloo. The Bohnenkamp machine struck the fox terrier while running across Depot street yesterday, and the doughty animal died a few hours afterwards.

More Reclamation.
Official confirmation of the report that the government is investigating a large tract of land west of the Umatilla river and south of the Columbia with a view to establishing another government project in the west end of Umatilla county, was had this morning from A. F. Davis, chief engineer of the reclamation service, and D. C. Henny, supervising engineer in the northwest, relative the Pendleton E.O.

While passing through the city this morning on train No. 11 these men were interviewed by an East Oregonian representative and both admitted that the government had ordered tests and a complete investigation of the possibilities of the land for a project.

They said this was but one of about a dozen possible projects which the government had under consideration in this state and that when the money became available the most feasible one would be selected. Mr. Henny intimated that it might be a long time before there would be any money available.

BIG BATCH OF MAIL MONDAY

TOTAL OF FIFTEEN THOUSAND POUNDS ONE DAY.
Record Day Last Monday Since Mail Car Service Started.

Last Monday established a new record in quantity of mail sent out to Elgin and wallowa county since the advent of the mail service. There were 69 80-pound bags of papers, 31 bags of letters and 25 registers. This makes a total of something like 15,000 pounds of mail to be carried on one train.

The lot filled the mail car and Messenger Ballinger was the perspiring kid on that trip.

Then was shown the wonderful power of Dr. King's New Discovery. "After three weeks use," writes Mr. Blevens, "he was as well as ever.
