There are several kinds of drilling but the kind the kind that makes the farm pay is the drilling which makes water available. There is no need of a dry farm. The task is not so great as you may think. I have had years of experience and understand the well business thoroughly.

CIRCUS DAY TOMORROW

HARVEST TIME MAY EFFECT THE CROWDS.

Noted Show With Great Animals Coming From The West.

Tomorrow is circus day for La Grande. The Hagenbeck-Wallace shows are said to be the best on the road. From the Portland and Spokane papers we learn that the people of both these cities were well pleased with them.

The farmers are very busy with their crops at this time and some will not attend, but from indications now there will be few who stay away. It being Saturday a greater part of them will come in and see the show in the evening.

Though the circus will arrive from the west, no definite hour has been set.

Just Arrived.

Large shipment of electric irons. Call at the light office for prices and see samples.

A Healing Salve for Burns, Chapped Hands and Sore Nipples.

As a healing salve for burns, sores, sore nipples and chapped hands Chamberlain's Salve is most excellent. It allays the pain of a burn almost instantly, and unless the burn is without leaving a scar. Price, 25 cents. For sale by All Good Dealers, yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by All Good Druggists.
