

But little mouths don't care, so long as they feel the delicious coolness of our tempting ice cream. Children are fond of it, but what of their elders—especially the ladies? Very few ever decline the invitation to partake of a rare dish of our excellent cream. Take a box of this "Frozen Gladness" home with you.

GOOD SERVICE PROMISED THOSE WHO ATTEND PICNIC

With excellent transportation service, an elaborate program to be rendered, the well known hospitality of the people of Imbler offered and a general good time promised there is not a doubt but the whole of Union county will be well represented at the Pioneer Day's picnic at Imbler, July 22. While it is in the midst of the busy time for the farmers, there are very few, indeed, who would not lay aside their duties for one day and mingle with these old heroes who fought that we might enjoy the home which we now do.

Secretary Rinehart was in the city yesterday working to make arrangements for the transportation services between La Grande and Imbler. He has practically secured the promise

of two special coaches. They will go on the regular train at 9:25 and return in the evening at 5 o'clock on the logging train. By this arrangement the people of North Powder, Cove and Union can come to La Grande on No. 7 and get on the Joseph train and get to Imbler at the same time the people from La Grande arrive. The game, which they failed to play some-train will arrive in La Grande in plenty of time for the people from these towns to catch the evening trains home.

The people of Imbler are very anxious that everybody attend the picnic, and promise an excellent time to those who go. Coffee, tea and cream will be served free. Take your lunch and stay all day with our neighbors of Imbler.

OUR PLATFORM

SAFETY first, liberality next, both are essential to successful banking. If you are satisfied with our platform come and see us.

S.S.S. PURELY VEGETABLE

The absolute vegetable purity of S.S.S. has always been one of the strongest points in its favor, and is one of the principal reasons why it is the most widely known and universally used of all blood medicines. A great many of the so-called blood purifiers are really nothing more than strong mineral mixtures which act so unpleasantly and disastrously on the delicate membranes and tissues of the stomach and bowels, that even if such treatment purified the blood, the condition in which the digestive system is left would often be more damaging to the health than the original trouble. Not so with S.S.S.—it is the greatest of all blood purifiers, and at the same time is an absolutely safe and harmless remedy. It is made entirely of the healing and cleansing extracts and juices of roots, herbs and barks, each of which is in daily use in some form by physicians in their practice. Years of work and research have proven S.S.S. to contain everything necessary to purify the blood and at the same time supply the system with the purest and best tonic effects. S.S.S. cures Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases, Scrofula, Contagious Blood Poison and all other blood troubles, and it leaves the system in perfect condition when it has purified the blood. Book containing much valuable information on the blood and any medical advice desired sent free to all who write.

ELGIN VS LA GRANDE

Elgin will come here Sunday and try their luck with the team at this place. This is the regular schedule same plan works in the evening. The game, which they never played some-time ago at Elgin, as soon as the schedule expires at the end of the season. Elgin is coming here strong Sunday and it is said that a large crowd of Elgin rooters will accompany the team. Come out Sunday and help La Grande climb to the top of the ladder. The other games scheduled for Sunday are: Baker City vs. Cove at Cove and Huntington vs. Union at Union.

Christ." This monologue has won a universal praise. Mr. Jerard, founder of the Fraternal Order of "Ben Hur," says: "I have heard Charlot Race one hundred and fifty times. Prof. Sutton's is the best." What this noted man has said in regard to his work others have expressed. He has read this monologue through the west and the middle west for the last fifteen years. Study and actual work before the public has given it, made the work a masterpiece. The admission fee this evening is twenty-five cents.

COMMITTEE IS INTERRUPTED

A rubbish fire out near the Standard Oil tank last evening disturbed the meeting of the Fourth of July committee, all of them jumping up in the midst of business of auditing the bills and running pell mell to the fire and before they got back it was too late to continue the meeting.

Anyhow most of the work had been finished and it will take only a short session of the committee to finish the work. They had audited bills to the amount of \$1070.00 when the fire bell rang.

Just Arrived.

SHE'S A QUEEN! SHE'S A SIREN!

is an expression that is always heard at sight of a well developed woman. If you are flat-chested, with undeveloped, a sprawny neck, thin, lead arm—remark will never be applied to you. "SIP" wafers will make you beautiful, bewitching. They DEVELOP THE BUST in a week from 3 to 6 inches and produce a fine, firm, voluptuous bosom. They fill out the hollow places, make the arms handsome and well modeled and the neck and shoulders shapely and of perfect contour.

Send for a bottle today and you'll be pleased and grateful. "SIREN" wafers are absolutely harmless, pleasant to take, and convenient to carry around. They are sold under guarantee to do all we claim or MONEY BACK.

Price \$1.00 per bottle. Inquire at good drug stores or send DIRECT TO US.

FREE. During the next 30 days only—we will send you a sample bottle of these beautifying wafers on receipt of 10c to pay cost of packing and postage if you mention that you saw the advertisement in this paper. The sample alone may be sufficient if the defects are trifling.

"BEN HUR" TONIGHT

GRAND MONOLOGUE WILL BE HEARD HERE.

Talented Reader And Monologist Will Entertain Tonight.

The Bible and Missionary Institute closed last evening at the Christian church. Prof. Sutton delivered a wide awake lecture on the subject, "The Evangelization of the World in the Present Generation." Tonight at 8:15 he reads the monologue taken from the well known and well read book, "Ben Hur" or "The Tale of the

The Heating and Ventilating Problem Solved By the Waterbury System

For Schools, Churches, Lodge Rooms, and Public Buildings

Does away with window ventilation, which is almost as great an evil as impure air. Maintains a uniform temperature all over the room. Eliminates the cold floor problem and the "dreaded hot stove," Adds 25 per cent to the seating capacity by removing the plant to the corner. Great saving in fuel bill. Requires no basement. Always under direct supervision. No expense to install. Will burn either wood or coal. Every plant guaranteed to meet the most exacting requirements. No Experiment, Plant in successful operation in Public School of La Grande. invented by J. L. Waterbury who for many years taught in the public schools, after carefully studying the problem and long experimenting devised and patented the system. Those seated in the farther corner of the room will be just as warm as those sitting near the plant. Can be attached to any flue. Every school district should investigate this system.

M. SNIDER, Agent, LaGrande, Ore.

I have taught in the various schools of the county for the past fourteen years and the knowledge of the improper heating and ventilating conditions caused me to take this agency.
