NEW DEPOT YEAR HENCE

COMPANY LOOKING FOR BRICK TO BUILD WITH.

At Conclusion of Pendleton and Baker Depots, Then Here.

What is without a question the best criterion pointing the way to the time that La Grande will be handed that much-needed building—an O. R. & N. railroad depot—is the fact that the O. R. & N. is looking about for brick with which to construct it. While no definite contract has been entered into with the company, word has been given out that as soon as the Pendleton and Baker City depots are finished, work will commence on the La Grande structure. According to the best estimates, this will be early in the coming year, at least within a year from now.
