UNION COUNTY HAS BEST
EXHIBIT SPACE IN BUILDING

District Superintendent Gilliland, who returned Saturday from the A. Y. P., reports that the Union county exhibits are receiving very favorable attention and that Mr. Hall is certainly the man for the place, working all the time and doing all in his power to

bring his home county to the front. The Union county exhibit space is the best in the Oregon building, being situated at the entrance of the building and attracting the attention of all the visitors first. He also states that the schools have fine exhibits and are receiving favorable mention.

Good Clothes

Men, as well as women, like to be well dressed, but many of them don't know how to go about it. The majority of clothing stores can't help them much, either—they clothe them, 'tis true—but they certainly don't dress them.

And That's Where This Store comes in!

We dress men well—we spare no pains to do it. Clothes quality, these days, counts for as much as price in the way of an inducement, when asking for patronage. EXCLUSIVENESS AND EXCELLENCE IN HATS AND HABERDASHERY.

If you care for clothes excellence, Sir, come here!
