HUNTINGTON WINS GAME

UNION, July 19.—(Special)—In a fast game here yesterday the locals were defeated by the team from Huntington the score being 7 to 5. It was baseball from the go, both sides playing the game for all it was worth. Umpire Ferguson, being slightly ill, made several wrong decisions but neither side were especially benefited. The batteries were: Union—Sheets and Mulvahill; Huntington—Spoonmore and Mare.

TO MAKE DAM HIGHER STILL

Engineer Darley is expected home tonight from Meadowbrook with field notes and data which he will present to the directors. The plan is to raise the dam 10 feet, a proposition which will raise the contour of the reservoir the same amount, consequently taking in more land. The subject was launched when the directors were there and Darley's prolonged stay was to ascertain the feasibility of this.

If Darley comes tonight, the directors will meet this evening to transact a big grist of important matters.

Gabhart on Streets.

BRACKETT SANE AGAIN.
Says Statement Made During Illness Is False.

PORTLAND, July 19.—Sanity has returned to Rae Brackett, who was mysteriously shot Wednesday night on a street corner in Portland, today. His first expression made to his wife and attending physicians was: "I have not the slightest idea who shot me; if I accused any one while I was delirious, any such statement is false." Mrs. Brackett, the wounded man's wife, who came here from Walla Walla, said today: "My husband did not accuse Louis Quimby and J. M. Main, and I am confident he does not know who shot him."

E-RU-SA—THE ONLY LAWFUL PILE CURE.
Because it does not contain narcotics, mercury, cocaine, lead or any poisonous drugs. Because E-RU-SA cures piles. U. S. Dispensary recommends every ingredient of E-RU-SA. Drug laws make "false or misleading statements" a crime. Therefore the sale of all old or narcotic pile medicines is illegal because they affect the brain and spinal marrow; produce constipation and never cure. Only druggists of highest standing sell and endorse E-RU-SA.
