LA GRANDE INVESTMENT CO.

The wise men of today are those who on the slightest trouble with their eye sight have that trouble investigated by a reputable optician.

Many an wearing glasses today could have had his trouble remedied by the wearing of glasses for a short period—if he attended to it in time.

"Chick," Tonight.

With a new soubrette in the title role, and several other changes in the cast, the Pastime Stock Co. will present tonight, "Chick, The Mountain Wail."

This bill was put on for two nights by the Taylor Stock Co. and as it is such a good bill and only played two nights it was decided to put it on again.

The piece is full of comedy and heart interest and is sure to please all.

CRUSHING FINISHED

Rock crushing on the macadam road on the East of Adams avenue to the Gekeler lane was completed last evening and from now it will be a matter of watering and rolling only. Limited help is detaining speedy completion.

Fifty-five roads of grading and first fair have been completed on the Proebstel line near the Carbine home, running straight north from the Proebstel bridge to the quarry. This will be surfaced with dirt and later in the fall given the finishing touches.

With a small crew of men, Superintendent Campbell is making splendid progress with the work, and both places where macadam roads are being built are sadly in need of the repairs.
