PROVISIONS OF NEW BILL

NEAR BEER ORDINANCE VERY EXHAUSTIVE ONE.

Outlines Many Needed Reforms in Selling of Near Beer.

Some weeks ago this paper said that an ordinance regulating the sale of near beer and other malt beverages would be introduced in council in the immediate future. At that time the ordinance had been prepared by the city attorney and was in the hands of the judiciary committee. It was held by that committee from week to week, and yesterday Mr. Baker was called upon to prepare another one which should combine the provisions of the one now in force and the one held by the committee. He did this, and the instrument, the provisions of which are very strict, was introduced last night, read the first and second times and referred to the judiciary committee. It is supposed to come up for final action at the next meeting.

It provides for a license of \$500 per year, or \$250 for six months, and no license shall be issued for a less period than six months. There shall be two or more sufficient sureties on the bond. Selling the stuff to minors is absolutely prohibited, and the place in which it is sold is to consist of one room, with no communication with any other room except a cellar, except that a hotel bar room may connect with the lobby. All windows shall be of clear glass, one pane in thickness, and carrying no painting, frosting or lettering. The bar shall be, but not more than six feet from the entrance, and there shall be no obstructions to a clear view of the entire interior. The bottom of no window shall be more than three and one half feet above the sidewalk.

A section which may cause some ob-

jection to the passage of the ordinance provides that no place where malt beverages are sold shall be used as a rooming house or in connection with such, except in a bonafide hotel; and that all such places shall close at 12 o'clock midnight, and remain closed until 6 o'clock the following morning. Police inspection is provided for and it is made the duty of the police to make inspection of all such places and in case any alcoholic liquors are found on the premises to confiscate the same and to prosecute the proprietors.

BIG PROGRAM ASSURED

A program including music by the leading musicians of the city, the L. D. S. choir, speeches by several prominent orators, is being prepared as a result of the meeting held last Saturday night at the L. D. S. Tabernacle. The program will be published in full tomorrow evening as the committee has one or two numbers which cannot be definitely announced until a late hour tomorrow.

A Pleasant Physic.
 When you want a pleasant physic give Chamberlain's Stomach and Liver Tablets a trial. They are mild and gentle in their action and always produce a pleasant cathartic effect. Call on your dealer for a free sample. His law office in La Grande, Oregon, for them.

PANTS FORGOTTEN.
 left his trousers hanging there. He returned to his room in his drawers; and when he awoke Monday morning, he missed them and his money. He reported his loss to the management. Employees began a search with the result that the trousers were found in a bath room where Callahan had left them, money intact. Callahan then recalled he didn't wear them back to the room.
