

Notice of Annual Fair.

The management of the First Eastern Oregon District Agricultural society, wishes to announce that the county fair will be held this year at La Grande, beginning October 4th, and lasting one week.

The new catalogue will be out now in a short time, the cause of the delay so far has been due to the effort to get the Wallowa county people to join us and combine the two fairs.

The new catalogue will be practically the same as the old one, but with this exception, many of the premiums have been raised and new features added, and also a large special list of premiums will be offered by the business men of La Grande.

Get your exhibits ready for the largest fair that Union county has ever had.

DRILLING

There are several kinds of drilling but the kind that makes the farm pay is the drilling which makes water available. There is no need of a dry farm. The task is not so great as you may think. I have had years of experience and understand the well business thoroughly.

HALL STARTS HOMESEEKERS TO LA GRANDE FROM FAIR

Wm. Hall, Union county's representative at the Oregon building at the fair, is proving himself "a find" in the way of an advertising medium. With samples of Grande Ronde valley grown fruit at his side, literature, and his own convincing discourses, he is able to turn home seekers La Grandeward. Two ladies and several men, seeking orchard land in the west have been headed this way, and as soon as they complete their visits at the fair, will come to Union county.

In a letter received by President Collier, Mr. Hall sets out the fact that a man from the east has been

in consultation with him, and Mr. Hall has decided to give him a dozen slides of Union county scenes, which the man will take to New York state and other Atlantic seaboard towns, during a course of lectures next year. In this way desirable publicity will be given this county.

Cherries Are Popular.

Three boxes of Blings from as many growers in Cove, reached Mr. Hall Saturday, and the size and pack, of these cherries have been loudly touted by visitors who enjoy the view immensely. Untold benefits are being derived from Mr. Hall's stay at the fair.

MORE WORK IS ON FOR THE BEST FAIR EVER HELD HERE

Publicity Manager Currey is back from his fishing trip and states that more active work will commence at once on the fair proposition. He states that if hard work and the hearty cooperation of all who are interested can accomplish anything the fair here will be a success from the go.

It is not known yet just what part Wallowa county will take in the fair. It is possible, but not probable, that they will hold one of their own. In that case Union county will be alone in her fair. It is thought, however that they will join hands with Union county and lend every assistance toward making the fair at La Grande a joint, or district fair and send all of

there exhibits here.

This is decidedly the best move and the Commercial club here is doing all that they can to bring this about. While there are a few in Wallowa county who wish to hold one fair for each county the greater part are willing and desire that they combine forces and hold one big fair here. They will decide as to their course some time this week and let the fair commissioners and the Commercial club here know as to their decision and then it is expected that everything will run smooth for one of the best fairs ever held in Eastern Oregon.

Cholera Infantum Cured.

"Something like two years ago my baby, which was then about a year old was taken seriously ill with cholera infantum, vomiting and purging profusely," writes J. F. Dempsey of Dempsey, Ala. "I did what I could to relieve her but could do her no good, and being very much alarmed about about her went for a physician but failed to find one so I came back by the way of Elder Brothers & Carter's drug store and Mr. Elder recommended Chamberlain's Colic, Cholera and Diarrhoea remedy. I procured a bottle of it, went home as quickly as possible and gave the baby a dose of the remedy. It relieved her in fifteen minutes and soon cured her entirely." For sale by all good dealers.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Never Known To Fail.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872 and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for eighteen years, and never start out on a trip without this, my faithful friend," says H. S. Nichols of Oakland, Ind., Ter. For sale by all good dealers.
