CHANGE IN CHIEFSHIP

J. J. CORBETT IS SAID TO BE RETURNING.

A. Buckley Going to Portland-Seattle Railroad Circles.

Rumors afloat in railroad circles for the past few weeks relative to changes and promotions of high officials received added impetus today when General Superintendent M. J. Buckley and Superintendent Buckley have spent an entire day conferring with local officials on matters not made public. That Chief Dispatcher A. Buckley is to be promoted to the new Portland-Seattle road with headquarters in Portland or Seattle, where he will act in the same capacity as he is here, now seems assured, judging from indications and rumors preceding them.

Coupled with the talk of Buckley's promotion is another rumor that J. J. Corbett, for several years night chief here, but more recently employed by the O. R. N. at Spokane, will return to La Grande to assume chiefship here.

It is believed definite announcement of this change will be made in a few days.
